A FULLY CONCEDED FACT.
That in buying **SHOES and BOOTS** it is desirable to get them Cheap, Neat Fitting and Substantial.
That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.
That in choosing Shoes and Boots, as aforesaid, it is imperative to get best choice—to pick from our stock at once, the largest and most complete in all lines.
That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at **MAGUIRE'S.**
That **MAGUIRE** has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.
The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
