THE SYNDICATE MAKING LIFE PLEASANT FOR LADIES CLOTHING BUYERS. At the City Store. proud of, since 'tis one we've worked hard and studied harder to

Even at the risk of tiring you with repetitions, we cannot help reminding you once more of the fact, the important fact, the most important fact, that there is one store in Lindsay where the stock from one end to the other, including Dry Goods, Fancy Goods, Millinery and Mantles, Carpets, House-furnishings, Ladies Furs and Fur Mantles, etc., is absolutely new, absolutely the latest, absolutely the largest selection to choose from. Think of this. Think of it carefully, and at the same time this stock is the handsomest and the prices the lowest anywhere. A good bargain, like a good joke, will make anybody laugh. Both are to be had at the City Store. We study to please. In fact the Syndicate is the spot for feminine adornment, and there must be some good reason why we have been so thoroughly well patronized. Which is it, the low prices, the handsome goods, or the polite treatment and courtesy to customers? We are inclined to think there is an attraction in each one, and when the three are combined they surely make a joyful greeting to all who come.
