L. O'CONNOR,
 Manufacturer of First-Class
Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly "Mowry's Foundry," next to Carr's hotel, corner of William and Russell's streets, has facilities for executing all work in the above lines which cannot be excelled.
 He respectfully solicits a call from those requiring anything in his line, and will be glad to show them over his new Carriage and Wagon Shops.
 L. O'Connor, being the oldest practical man in this section of the country, is enabled to guarantee a First-Class Job in any department, and every article turned out will be warranted as A. 1.
 Every piece of work in this establishment is done by hand, and far superior, as is acknowledged, to that done in factories—a fact proved at the South Victoria Exhibition, where I received three first prizes, although I did not get up my work for prize exhibition, and they obtained for me sales and orders quite unexpected and unprecedented.
 All Repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

L. O'CONNOR.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial.
 That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.
 That in choosing Shoes and Boots, as aforesaid, it is imperative—to get best choice—to pick from our stock at once, the largest and most complete in all lines.
 That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at **MAGUIRE'S.**
 That **MAGUIRE** has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money at Lindsay town.
 The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
