

F. SANDFORD

has a large stock of

WAGGONS AND BUGGIES

on hand, all guaranteed to be first class, which he will sell **CHEAPER THAN EVER.**

Be sure and see his stock of

PLOWS AND HARROWS.

Farmers requiring a harrow will do well to inspect his Spring-Tooth Harrows, which are just the thing for rough land. He also keeps the following farm machines:

REAPERS, SELF-BINDERS, MOWERS, SEEDERS, CULTIVATORS, RAKES, AND THRESHING MACHINES, and is bound not to be undersold by any one.

All kinds of **PLANING** done at short notice. Various patterns of **MOULDINGS** kept on hand, and sold at the **lowest prices.** **HORSE-SHOING** and **JOBING** a specialty. All **REPAIRS** done in a first-class manner and on short notice. Some cheap second-hand **BUGGIES** for sale. He returns sincere thanks for the liberal patronage bestowed on him during the past 14 years, and will spare no pains to merit a continuance of it in the future.

L. O'CONNOR,

Manufacturer of First-Class

Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly "Mowry's Foundry," next to Carr's hotel, corner of William and Russell streets, has facilities for executing all work in the above lines which cannot be excelled. We respectfully solicit a call from those requiring anything in his line, and will be glad to show them over his new Carriage and Wagon Shops.

L. O'CONNOR, being the oldest practical man in this section of the country, is enabled to guarantee a **First-Class Job** in any department, and every article turned out will be warranted as such.

Every piece of work in this establishment is done by hand, and far superior, as is acknowledged, to that done in factories—a fact proved at the South Victoria Exhibition, where I received three first prizes, although I did not get up my work for prize exhibition, and they obtained for me sales and orders quite unexpected and unprecedented.

All **Repairs** done Cheaply and Promptly. A few second-hand Buggies for sale.

L. O'CONNOR,

Lindsay, November 1st, 1883.

THE CITY STORE.

The Correct Theory of Business.

Fortunately there are certain natural laws governing trade which will assert themselves in spite of all the artificial restrictions which human ingenuity or human folly can devise. People will buy cheap; they will regulate their operations in market according to the varying condition of competition and the law of supply and demand. Our past record proves we have reached sound conclusions, and we have been bravely sustained. No dissatisfied agitator can point out the least flaw in our past career, but many heartily applaud our efforts to place good value within the reach of all. Hence it is no exaggeration to declare that, examined under the concentrated rays of friendly and unfriendly criticism, we have been weighed and not found wanting. Our efforts to lower prices and give our patrons the best value obtainable have received the approbation of all wise and thoughtful people. Every person acknowledges, and even our competitors acknowledge, that the City Store was the lever whereby the props were knocked from under the long credit system. We are blamed for cutting prices; this you have heard repeatedly. We acknowledge the corn, and intend commencing at once to cut deeper than ever. Our spring stock of Staple and Fancy Dry Goods, Millinery, Mantles, Carpets and House Furnishings are all in the store, the largest and best assorted stock we have ever shown, and the prices, we assure you, will be cut to the heart.

Our milliner, MISS KENNY, is now home from market and ready for business. Our dressmaker, MISS SUTTON, will resume operations on Monday, 17th inst. She has just returned from the American Fashion Emporium.

SOOTHERAN, CATHRO & MARK, City Drapers and Clothiers,

No. 2 Dobson's Block, 2nd door west P. O., Kent-St., Lindsay.

The Correct Theory for Gentlemen

Who are in want of Spring Clothing is to decide at once, make their selection early in the season, and get first choice. Notwithstanding the fact that we are showing the choicest selection of handsome goods, the best article is generally the first to go, and every day's delay leaves you less to choose from. It is with pleasure we announce our stock of English, Scotch, Irish, French and Domestic Suitings, Trousers, Vestings and Light Overcoats, very complete, and solicit an early inspection. Each succeeding year shows an improvement on its predecessor, and none more marked than the improvement in Gentlemen's Clothing, not only in the style, fit and finish of the garments but in the material as well. The harmonious combination of colourings and the recent discoveries in fast dyes all add to the beauty and style of the goods, to say nothing of the improvement in texture and wearing of the fabric, which adds very materially to the wear. The City Tailoring House of Lindsay is the leading place for fine clothing. We pay strict attention to details, keep ourselves thoroughly posted in quantities and styles, and pride ourselves in turning out garments THOROUGH in every respect. Mr. Cathro, who is a partner and a practical cutter of 15 years' experience, gives this department his undivided attention. **READY-MADE CLOTHING**—We keep a large stock well assorted in Men's, Youths' and Boys', and sell at prices calculated to make the uninitiated stare. **MEN'S AND BOYS' HATS AND CAPS**—Our spring styles are all in stock, the greatest variety we have ever shown, and the prices are lower than ever before. **GENTS' FURNISHINGS** department full to the brim, with all the latest things in the market—Shirts, Collars, Ties, Cuffs, Underwear, Socks, Gloves, Umbrellas, Oil Cloth Coats, Waterproof Tweed Coats &c. Come and see us. Then draw your own conclusions.

DUNDAS & FLAVELLE BROS.,

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial.

That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is imperative—to get best choice—to pick from our stock at once, the largest and most complete in all lines.

That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.

The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
