L. O'CONNOR,
Manufacturer of First-Class
Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly Mowry's Foundry, next to Carr's hotel, corner of William and Russell streets, has facilities for executing all work in the above lines which cannot be excelled. He respectfully solicits a call from those requiring anything in his line, and will be glad to show them over his new Carriage and Wagon Shops.
L. O'Connor, being the oldest practical man in this section of the country, is enabled to guarantee a First-Class Job in any department, and every article turned out will be warranted as A. 1.
Every piece of work in this establishment is done by hand, and far superior, as is acknowledged, to that done in factories—a fact proved at the South Victoria Exhibition, where I received three first prizes, although I did not get up my work for prize exhibition, and they obtained for me sales and orders quite unexpected and unprecedented.
All Repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

SOMETHING NEW FOR FARMERS, DAIRYMEN AND OTHERS.

The Combined
MILK BUCKET, STRAINER & STOOL.

This Bucket (patented last June) has many advantages that make it acceptable to all who require to milk cows. The milk is strained while entering the pail through the funnel, and is effectually protected from contact with any foreign substance whatever and from the odor of the stable. It does away with the old-fashioned stool, as the milk sits on the bucket. Should a vicious cow kick over the bucket, no milk is lost or injured. It needs only to be seen to be appreciated. Professor L. Arnold speaks very highly of it, and Professor W. Brown says, "we use it at the Ontario experimental farm," and "it is admirably adapted to secure cleanliness, convenience, and safety of the operator." Manufactured by the ONTARIO MILK BUCKET MANUFACTURING CO., Toronto, R. W. SUTHERLAND, Manager. Sold by special agents only. McDOUGALL & BRANDON, agents, Fenelon Falls. 5-3m.

THE MARCH OF EVENTS REVEALS FURTHER PARTICULARS. ANOTHER MEETING OF THE SYNDICATE.

Members all present and eager for the fray.
President perched on the stool at 7:30 p. m.
Minutes of the last synod read and confirmed.

THE PRESIDENT'S ADDRESS.

GENTLEMEN OF THE LINDSAY DRY GOODS AND CLOTHING SYNDICATE.—It affords me the unbounded pleasure and satisfaction to congratulate you on the very great success attending the Trade Sale of this Syndicate inaugurated on the 21st June. The unanimous verdict of our people to supply them with STAPLE AND FANCY DRY GOODS, MILLINERY, MANTLES, CARPETS, OIL CLOTHS, READY-MADE CLOTHING, ORDERED CLOTHING, HATS AND CAPS, &c., at and below manufacturers' prices. Their various expressions of opinion all tend to the same conclusion. Unprecedented bargains, unapproachable bargains, are the common expressions repeated continually at our counter, and we are constantly being assured that this—our grandest and most successful effort—is heartily approved of and that the City Store will never be forgotten. We have been successful in securing some wonderful bargains in DRRESS GOODS since last synod, and the goods are now on exhibition and moving off rapidly. I have no hesitation in pronouncing this line of goods the best value ever put on the market. I would suggest that those who patronize this sale during the month of July be treated most liberally in every particular, and receive every inducement and benefit that can possibly be given them. The president then perched himself on the stool, amid rousing cheers and great enthusiasm. There is one, however, from Peck's had Owing to the pressure of other matters, our communications are unavoidably crowded out. There is one, however, from Peck's had boy calculated to make the most sad and melancholy laugh with joyous mirth and glee, which may possibly appear in another issue, but it will depend on the pressure of business during this Great Trade Sale of the Lindsay Dry Goods and Clothing Syndicate. The synod then adjourned.

DUNDAS & FLAVELLE BROS., Kent Street, Lindsay.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial. That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is imperative—to get best choice—to pick from our stock at once, the largest and most complete in all lines.

That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.

The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
