L. O'CONNOR,
Manufacturer of First-Class
Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly
Mowry's Foundry, next to Carr's hotel, corner of William and Russell streets, has fac-
ilities for executing all work in the above lines which cannot be excelled.
He respectfully solicits a call from those requiring anything in his line, and will be
glad to show them over his new Carriage and Wagon Shops.
L. O'Connor, being the oldest practical man in this section of the country, is enabled
to guarantee a First-Class Job in any department, and every article turned out will be
warranted as A. 1.
Every piece of work in this establishment is done by hand, and far superior, as is so-
knowledge, to that done in factories—a fact proved at the South Victoria Exhibition,
where I received three first-prizes, although I did not get up my work for prize exhibi-
tion, and they obtained for me sales and orders quite unexpected and unprecedented.
All repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

SOMETHING NEW FOR FARM-
ERS, DAIRMEN AND OTHERS.
The Combined
**MILK BUCKET,
STRAINER & STOOL.**

This Bucket (patented last June) has many
advantages that make it acceptable to
all who require it to milk cows. The milk
is strained while entering the pail through
the funnel, and is effectually protected from
contact with any foreign substance what-
ever and from the odor of the stable. It
does away with the old-fashioned stool, as
the milker sits on the bucket. Should a
vicious cow kick over the bucket, no milk
is lost or injured. It needs only to be seen
to be appreciated. Professor L. B. Arnold
speaks very highly of it, and Professor W.
Brown says, "we use it at the Ontario ex-
perimental farm," and "it is admirably ad-
apted to secure cleanliness, convenience,
and safety of the operator." Manufactured
by the ONTARIO MILK BUCKET MANU-
FACTURING CO., Toronto, R. W. SUTHER-
LAND, Manager. Sold by special agents
only. McDUGALL & BRANDON, agents,
Fenelon Falls. 5-3m.

**THE MEAT OF THE COCOANUT
IS FOR THOSE WHO BREAK THE SHELL.**

Likewise the Bargains in Dry Goods, Millinery, Carpets and Clothing at the Syndicate's
Trade Sale, now in full blast, are for those who grasp the opportunity.

The enthusiasm that prevails is truly wonderful, and not caused, as some might suppose, by mental excitement or heat
of imagination, but by unparagoned bargains and value, which is the true and genuine test, conformable with facts upon
which we hope to merit your patronage and influence.

This Trade Sale of the Lindsay Dry Goods and Clothing Syndicate is Established at the
City Store for the purpose of supplying our Patrons with Dry Goods, Millinery,
Carpets and Clothing at less than Manufacturer's Prices.

"How can that be true?" you naturally inquire. Our answer is, and everyone who reads and keeps posted will verify
our statement, that this is a year of depression and there is an over-production of merchandise in our manufacturing cen-
tres, and the holders are anxious to realize even at an enormous sacrifice; and the merchant who is in a position to buy
the largest bulk of goods at one time is the one who can get the best quotations and closest prices, and every merchant
buys in proportion to his facilities for disposal; hence the unprecedented success of the trade sale at the CITY STORE.
If on consideration and reflection you conclude the above is sound logic, come and test our ability as buyers and witness
our practical facilities for the disposal of merchandise. Then you will understand without further explanation why the
CITY STORE has a commanding influence with the manufacturers, and how it is that the meat of the Coconut is for
those who crack the shell.

DUNDAS & FLAVELLE BROS.,
Kent Street, Lindsay.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get
them Cheap, Neat Fitting and Substantial.

That in wearing such Shoes and Boots it is imperative that
they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is impera-
tive—to get best choice—to pick from our stock at once, the largest and most
complete in all lines.

That even the poorest people have more or less money and
can't do without Shoes and Boots; and that said money, let it belong to rich or
poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily
than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business
for some years—at least—and is the pioneer in furnishing much value in Leath-
er for little money of Lindsay town.

The above clauses form one solid, invulnerable and general-
ly CONCEDED FACT which buyers of Shoes and Boots will clear cash by
remembering:

L. MAGUIRE,
Shoe & Boot Maker.
