L. O'CONNOR,
Manufacturer of First-Class
Sleighs, Buggies, Wagons, &c.
Having now completed all the improvements required in his new premises, formerly
Morris' Foundry, next to Carr's hotel, corner of William and Russell's streets, has fac-
ilities for executing all work in the above lines which cannot be excelled.
He respectfully solicits a call from those requiring anything in his line, and will be
glad to show them over his new Carriage and Wagon Shops.
L. O'Connor, being the oldest practical man in this section of the country, is enabled
to guarantee a **First-Class Job** in any department, and every article turned out will be
warranted as such.
Every piece of work in this establishment is done by hand, and far superior, as is ac-
knowledged, to that done in factories—a fact proved at the South Victoria Exhibition,
where I received three first prizes, although I did not get up my work for prize exhibi-
tion, and they obtained for me sales and orders quite unexpected and unprecedented.
All Repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

**SOMETHING NEW FOR FARM-
ERS, DAIRYMEN AND OTHERS.**
The Combined
**MILK BUCKET,
STRAINER & STOOL.**

This Bucket (patented last June) has many
advantages that make it acceptable to
all who require to milk cows. The milk
is strained while entering the pail through
the funnel, and is effectually protected from
contact with any foreign substance what-
ever and from the odor of the stable. It
does away with the old-fashioned stool, as
the milk sits on the bucket. Should a
vicious cow kick over the bucket, no milk
is lost or injured. It needs only to be seen
to be appreciated. Professor L. B. Arnold
speaks very highly of it, and Professor W.
Brown says, "we use it at the Ontario ex-
perimental farm," and "it is admirably ad-
apted to secure cleanliness, convenience,
and safety of the operator." Manufactured
by the **ONTARIO MILK BUCKET MANU-
FACTURING CO.,** Toronto, R. W. SUTHER-
LAND, Manager. Sold by special agents
only, **McDOUGALL & BRANDON,** agents,

A FULLY CONCEDED FACT.
That in buying SHOES and BOOTS it is desirable to get
them Cheap, Neat Fitting and Substantial.
That in wearing such Shoes and Boots it is imperative that
they should prove Durable, Well-looking and Shapely.
That in choosing Shoes and Boots, as aforesaid, it is impera-
tive—to get best choice—to pick from our stock at once, the largest and most
complete in all lines.
That even the poorest people have more or less money and
can't do without Shoes and Boots; and that said money, let it belong to rich or
poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily
than at **MAGUIRE'S.**
That **MAGUIRE** has been in the Shoe and Boot business
for some years—at least—and is the pioneer in furnishing much value in Leather
for little money of Lindsay town.
The above clauses form one solid, invulnerable and general-
ly CONCEDED FACT which buyers of Shoes and Boots will clear cash by
remembering.
