L. O'CONNOR,

Manufacturer of First-Class

Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly Mowry's Foundry, next to Carr's hotel, corner of William and Russell streets, has facilities for executing all work in the above lines which cannot be excelled.

He respectfully solicits a call from those requiring anything in his line, and will be glad to show them over his new Carriage and Wagon Shops.

L. O'Connor, being the oldest practical man in this section of the country, is enabled to guarantee a First-Class Job in any department, and every article turned out will be warranted as A. 1.

Every piece of work in this establishment is done by hand, and far superior, as is acknowledged, to that done in factories—a fact proved at the South Victoria Exhibition, where I received three first prizes, although I did not get up my work for prize exhibition, and they obtained for me sales and orders quite unexpected and unprecedented.

All Repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

L. O'CONNOR.

SOMETHING NEW FOR FARMERS, DAIRYMEN AND OTHERS.

The Combined MILK BUCKET, STRAINER & STOOL.

This Bucket (patented last June) has many advantages that make it acceptable to all who require to milk cows. The milk is strained while entering the pail through the funnel, and is effectually protected from contact with any foreign substance whatever and from the odor of the stable. It does away with the old-fashioned stool, as the milk sits on the bucket. Should a vicious cow kick over the bucket, no milk is lost or injured. It needs only to be seen to be appreciated. Professor L. B. Arnold speaks very highly of it, and Professor W. Brown says, "we use it at the Ontario experimental farm," and "it is admirably adapted to secure cleanliness, convenience, and safety of the operator." Manufactured by the ONTARIO MILK BUCKET MANUFACTURING CO., Toronto, R. W. SUTHERLAND, Manager. Sold by special agents only, McDUGALL & BRANDON, agents, Fenelon Falls. 5-3m.

THE REALITY EXCEEDS HER IMAGINATION.

"I declare the realities I witnessed to-day in the low prices of all kinds of Staple and Fancy Dry Goods at the City Store, knocked the bargains I had pictured in my imagination higher than Gilroy's kite. It is truly wonderful. Formerly I could not understand why it was that the Lindsay Dry Goods & Clothing Syndicate created such a furor all through the country, but after this day's experience my understanding is considerably enlarged."

The above were the remarks of an elderly lady on her arrival home, after having driven over thirty miles to make her semi-annual purchase of Dry Goods and Clothing at the City Store, and a goodly parcel she purchased too. What is more, the old lady struck the nail square on the head. Unless she had been a visitor from the spiritual world she could not have foreseen the bargains awaiting her and all other customers. With our new stock now nearly complete, we are determined as far as possible that the reality of our low prices shall far exceed your imagination. Act suddenly on the above suggestion, and you will reap such a return for your dollars and cents as will make you laugh without being tickled.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial.

That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is imperative—to get best choice—to pick from our stock at once, the largest and most complete in all lines.

That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it be rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.

The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
