**L. O'CONNOR,**  
Manufacturer of First-Class  
**Sleighs, Buggies, Wagons, &c.**

Having now completed all the improvements required in his new premises, formerly  
Mowry's Foundry, next to Carr's hotel, corner of William and Russell streets, has facili-  
ties for executing all work in the above lines which cannot be excelled.  
He respectfully solicits a call from those requiring anything in his line, and will be  
glad to show them over his new Carriage and Wagon Shops.  
L. O'Connor, being the oldest practical man in this section of the country, is enabled  
to guarantee a First-Class Job in any department, and every article turned out will be  
warranted as A. 1.  
Every piece of work in this establishment is done by hand, and far superior, as is ac-  
knowledged, to that done in factories—a fact proved at the South Victoria Exhibition,  
where I received three first prizes, although I did not get up my work for prize exhibi-  
tion, and they obtained for me sales and orders quite unexpected and unprecedented.  
All repairs done cheaply and promptly. A few second-hand Buggies for sale.

**SOMETHING NEW FOR FARM-**  
**ERS, DAIRYMEN AND OTHERS.**  
The Combined  
**MILK BUCKET,**  
**STRAINER & STOOL.**

This Bucket (patented last June) has many  
advantages that make it acceptable to  
all who require to milk cows. The milk  
is strained while entering the pail through  
the funnel, and is effectually protected from  
contact with any foreign substance what-  
ever and from the odor of the stable. It  
does away with the old-fashioned stool, as  
the milk sits on the bucket. Should a  
vicious cow kick over the bucket, no milk  
is lost or injured. It needs only to be seen  
to be appreciated. It is admirably ad-  
apted to secure cleanliness, convenience,  
and safety of the operator. Manufactured  
by the ONTARIO MILK BUCKET MANU-  
FACTURING CO., Toronto, R. W. SUT-  
TERLAND, Manager. Sold by special agents  
only. McDUGALL & BRANDON, agents,  
Fenelon Falls.

**THE REALITY**  
**CEEDS HER IMAGINATION.**

"The realities I witnessed to-day in the low prices of all kinds of Staple and Fancy Dry Goods at the City  
Store the bargains I had pictured in my imagination higher than Gilroy's kite. It is truly wonderful. Former-  
ly I understand why it was that the Lindsay Dry Goods & Clothing Syndicate created such a furor all through  
the out after this day's experience my understanding is considerably enlarged."

Twore the remarks of an elderly lady on her arrival home, after having driven over thirty miles to make her  
semipurchase of Dry Goods and Clothing at the City Store, and a goodly parcel she purchased too. What is  
not even the bargains awaiting her and all other customers. With our new stock now nearly complete, we are  
determined far as possible that the reality of our low prices shall far exceed your imagination. Act suddenly on the  
abandon, and you will reap such a return for your dollars and cents as will make you laugh without being tickled.

**FULLY CONCEDED FACT.**

at in buying SHOES and BOOTS it is desirable to get  
the cheap, Neat Fitting and Substantial.

at in wearing such Shoes and Boots it is imperative that  
they should prove Durable, Well-looking and Shapely.

at in choosing Shoes and Boots, as aforesaid, it is impera-  
tive to get best choice—to pick from our stock at once, the largest and most  
complete in all lines.

That even the poorest people have more or less money and  
can't do without Shoes and Boots; and that said money, let it belong to rich or  
poor, to merit or mechanic, cannot be "swapped" for foot-gear more satisfactorily  
than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business  
for some years—at least—and is the pioneer in furnishing much value in Leather  
for little money in Lindsay town.

The above classes form one solid, invulnerable and general-  
ly CONCEDED FACT which buyers of Shoes and Boots will clear cash by  
remembering.
