L. O'CONNOR,

Manufacturer of First-Class

Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly Mowry's Foundry, next to Carr's hotel, corner of William and Russell streets, has facilities for executing all work in the above lines which cannot be exceeded.

He respectfully solicits a call from those requiring anything in his line, and will be glad to show them over his new Carriage and Waggon Shops.

L. O'Connor, being the oldest practical man in this section of the country, is enabled to guarantee a First-Class Job in any department, and every article turned out will be warranted as such.

Every piece of work in this establishment is done by hand, and far superior, as is acknowledged, to that done in factories—a fact proved at the South Victoria Exhibition, where I received three first prizes, although I did not get up my work for prize exhibition, and they obtained for me sales and orders quite unexpected and unprecedented.

All Repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

L. O'CONNOR.

SOMETHING NEW FOR FARMERS, DAIRYMEN AND OTHERS.

The Combined MILK BUCKET, STRAINER & STOOL.

This Bucket (patented last June) has many advantages that make it acceptable to all who require to milk cows. The milk is strained while entering the pail through the funnel, and is effectually protected from contact with any foreign substance whatever and from the odor of the stable. It does away with the old-fashioned stool, as the milk sits on the bucket. Should a vicious cow kick over the bucket, no milk is lost or injured. It needs only to be seen to be appreciated. Professor L. B. Arnold speaks very highly of it, and Professor W. Brown says, "we use it at the Ontario experimental farm," and "it is admirably adapted to secure cleanliness, convenience, and safety of the operator." Manufactured by the ONTARIO MILK BUCKET MANUFACTURING CO., Toronto. R. W. SUTHERLAND, Manager. Sold by special agents only. McDougall & BRANDON, agents, Fenelon Falls. 5-3m.

WEATHER PROBABILITIES.

It may rain, it may snow, and it may do neither, but one thing we may rely on, and that is that summer is getting ready to skedaddle, and the result to the unprotected will be cold or cough, pneumonia, neuralgia and other ills whose name is legion, thereby causing those who are so unfortunate to wear a face as long as a pumpkin vine, unless as a precaution you pay an early visit to THE CITY STORE and procure some of their nice, fine, All-Wool Underwear and Flannels, which we are offering at Unparagoned Bargains. Just stop to think. We are selling All-Wool Grey Flannels 27 inches wide for 25 cents, acknowledged by everybody to be the best value in Ontario—a big word, that, but it fits like a blister. Our stock of Flannels and underwear has no superior in the Midland counties, while the prices are un-touchable (copyrighted) elsewhere. Our new stock of Fall and Winter Goods is now complete, and never before have we shown such a large and varied assortment, and the goods never were so cheap since Adam was a boy, and a very small shaver at that. We are selling Dress Goods at 8, 10, 12½, 15 and 20 cents a yard, worth double the money. Everything new and rare in notions, and Fancy Goods are sure to be found on our counters. If you are a customer elsewhere it will well repay you to have a look through The City Store before making your choice, as we carry goods different in styles, different in qualities, and different in price. So truly different are we in giving bargains to our patrons that on fair and honest comparison you will be fairly astonished at our Low Prices in all kinds of Staple and Fancy Dry Goods, Millinery, Mantles, Carpets and Clothing. Hasten hither, be prompt, act suddenly and in earnest, and you will find us on the qui vive to welcome you and furnish you with goods that will defy the freaks of this fickle climate.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial.

That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is imperative to get best choice—to pick from our stock at once, the largest and most complete in all lines.

That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.

The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
