L. O'CONNOR,
Manufacturer of First-Class
Sleighs, Buggies, Wagons, &c.

Having now completed all the improvements required in his new premises, formerly Mowry's Foundry, next to Carr's hotel, corner of William and Russell streets, has facilities for executing all work in the above lines which cannot be excelled.

He respectfully solicits a call from those requiring anything in his line, and will be glad to show them over his new Carriage and Waggon Shops.

L. O'Connor, being the oldest practical man in this section of the country, is enabled to guarantee a **First-Class Job** in any department, and every article turned out will be warranted as such.

Every piece of work in this establishment is done by hand, and far superior, as is acknowledged, to that done in factories—a fact proved at the South Victoria Exhibition, where I received three first prizes, although I did not get up my work for prize exhibition, and they obtained for me sales and orders quite unexpected and unprecedented.

All Repairs done Cheaply and Promptly. A few second-hand Buggies for sale.

L. O'CONNOR.

FIRST BLOOD FOR WINTER.

October properly speaking is a fall month, but invariably draws first blood for winter, and it is during this month that November sharpens his teeth to prepare for the task before him of attacking the unprotected and improvident, who have failed to provide themselves with under-wear and warm clothing for their protection. Alas! how many delay this provision; and the penalty inflicted by a sudden change of weather often results in the first seeds of consumption, and occasionally in sudden death. Would it not, then, be wise for you to make an early visit to The City Store, and provide yourselves with the armour necessary to repel the attacks of Jack Frost? We have the goods necessary to defy Mr. Frost, and the prices are within reach of everybody. Never before in the history of Canada could you buy good reliable blizzard protector goods at such reasonable prices as you can today at The City Store. Flannels, Blankets, Shirts and Drawers, Fur Goods of all qualities in immense quantities. Ladies' Fur Mantles and Fur-Lined Circulars are as usual with us one of our great specialties to which we give special attention. The City Store has so thoroughly gained the reputation as the proper place to buy your Fur Mantles and Fur-Lined Circulars that further comment from us as to their excellence is unnecessary. You can always rely on getting a reliable article from us, as we take special pride in the quality of our goods.

CARPETS AND HOUSE-FURNISHINGS is another department in which we take special interest, and handle none but the best goods. The fine Velvet Squares, all woven in one piece, introduced by us two years ago, have been a marvelous success, and those who have purchased from us are well pleased with their selections. Carpets in Brussels, Velvet, Tapestry, Wool, Dutch Union and Hemp, English Oil Cloths and Linoleums, four yards wide, cut in one piece to fit your hall without extra charge. No extra charge for cutting and matching carpets.

ORDERED CLOTHING DEPARTMENT FOR GENTLEMEN.—Our Mr. Cathro, as a first-class cutter, stands pre-eminent, and being a partner has a double interest in pleasing and suiting his patrons, while our selection of woolen fabrics in all the best known makes is superior to any we have hitherto shown. We are showing good heavy All-wool tweeds for less than the cost of production. These are facts, reliable facts, which every person admits on examination. You are requested to act suddenly, and protect yourself from the wintry blasts.

A FULLY CONCEDED FACT.

That in buying SHOES and BOOTS it is desirable to get them Cheap, Neat Fitting and Substantial.

That in wearing such Shoes and Boots it is imperative that they should prove Durable, Well-looking and Shapely.

That in choosing Shoes and Boots, as aforesaid, it is imperative—to get best choice—to pick from our stock at once, the largest and most complete in all lines.

That even the poorest people have more or less money and can't do without Shoes and Boots; and that said money, let it belong to rich or poor, farmer or mechanic, cannot be "swapped" for foot-gear more satisfactorily than at MAGUIRE'S.

That MAGUIRE has been in the Shoe and Boot business for some years—at least—and is the pioneer in furnishing much value in Leather for little money of Lindsay town.

The above clauses form one solid, invulnerable and generally CONCEDED FACT which buyers of Shoes and Boots will clear cash by remembering.
