BOOMING COTTONS

—AT—

THE CITY STORE.

Notwithstanding the combined efforts of the manufacturers to advance the prices of White and Grey Cottons, the City Store, anticipating their projected scheme, has outwitted them and laid in their season's supply at the lowest price ever reached in the history of Canada, and is prepared, while the present stock lasts, to undersell all previous efforts ever made. Our prices at present for Factory Cottons and Steamlooms are fully ten per cent. lower than any wholesale house is offering the same goods for to-day. We invite every buyer of Cottons to visit the City Store and examine prices and quality, if only for the sake of comparison. We delight in showing our patrons good value, and we have it to show you. It is early in the season to say much to you about prints, but we have an advance line of only 100 pieces, but under exceptional circumstances, which we are selling at 5 cents a yard. These goods are full 29 inches wide, and are without doubt the best value ever offered to the City Store patrons. They are worth walking a long distance to see, and you'll say so too when you see them. But remember, 100 pieces won't hold out all summer. We can guarantee you the goods now, but a month hence we cannot.
