A BOLD STROKE TO DOUBLE OUR BUSINESS.

Our convincing argument is solid substantial inducements and better value than can be obtained elsewhere, which the magnitude
of our business warrants us in asserting from the fact that we can cope with large quantities, no matter how large, provided we can
get a sufficient reduction in price to undersell all competitors, and in this we have succeeded. It now remains for you to inquire the
cause of alarm and make provision accordingly.

To all Buyers of Dry Goods.
Again we greet you with a full house. Every corner of our
large store is packed full to the brim, and goods never were
cheaper, notwithstanding the attempts of the manufacturers to
advance all along the line. We are in a position to offer you
greater inducements than ever before. This year we are making
a bold stroke to double our business, and if good solid bargains
are any inducement we are sure to succeed; and we know from
experience that good solid inducements are a means to the end
we have in view. We invite along with our regular patrons as
many new ones as desire the best value to be had anywhere. Re-
member, we guarantee you goods that you cannot duplicate else-
where at 20 per cent. higher price, and we will always treat you
with politeness and civility, whether you buy or not. We make
a specialty of every department in the Dry Goods line, and it is
a by-word throughout the counties that if you cannot get what
you want elsewhere you are sure to find it at THE CITY STORE.
Then, if this is so, why not come direct to the Syndicate, as you
are sure to get it at the lowest price? If you are wavering be-
cause you do not like to leave your regular trading place, we ask
you to waver for once in our favour and compare our goods and
prices with those you are accustomed to pay, and you will then
find the friendship is in business. Our argument is to talk
to customers through their pocket-books and make friends, be-
cause it is to our mutual advantage. Try us for one good parcel
and you will be well satisfied, and don't forget that we offer spe-
cial advantages in Silks, Dress Goods, Carpets, Oil Cloths, Mat-
tings, House Furnishings, &c.

To all Buyers of Clothing.
Whether Ordered or Ready-Made, the City Tailoring House of
Lindsay is the correct spot to make your purchases for the fol-
lowing reasons:—you can get better value throughout, whether
it is a Great Coat, Suit, Coat, Pants or Vest. Each garment is
thoroughly well made and trimmed, and cut on a scientific and ar-
tistic principles, and finished with the most exquisite taste by the
most scientific workmen, and a fit is guaranteed in all cases or
the money refunded. In Ordered Clothing MR. CATRO, being a
partner and a thoroughly practical man, gives this department
his undivided attention. We place particular stress on the qual-
ity of trimmings we use. Some of our workmen think the trim-
mings too good and expensive, but Mr. Catro thinks different.
His motto is to give satisfaction, and in order to do that we must
use the best, even if our profits are pared down to a smaller mar-
gin; and then again we make all our coats by men, which is a
further guarantee that our garments are made with a view to sat-
isfaction. Our stock of English, Scotch, Irish and Canadian
Tweeds, Suitings, Trouserings, Worsted, etc. are all in stock,
and is allowed to be the largest and best assorted ever shown in
the Midland counties. Come and see us, examine our goods and
the cut of our clothing, and we are sure the verdict will be in
our favour.

made large additions thereto, we beg to solicit a continuance
of the support extended to him, and we will use our utmost
endeavours at all times to make prices satisfactory to one and
