"Why! What's the matter?"  
Lady—"With face enveloped in a roll of hot cloths"—"Oh! I'm crazy with that Neuralgia that continually troubles me."  
—"Well, how foolish! Why don't you go to Wm. E. Ellis's Drug Store, Fenelon Falls, and get a bottle of Fluid Lightning? It cured me in less than one minute. I always keep a bottle in the house. It only costs 25 cents."

James Brayley, Hamilton, says: "I read the testimonials for McGregor's Speedy Cure, and found that I had not to go to New York, Philadelphia, Louisiana or Texas to find living witnesses of its value; we have plenty of persons right here to prove its merits. I got a bottle and it helped me right away. I was as bad with Bilious Fever and indigestion as I think any one could be. I have taken three bottles and am nearly well, and can eat any kind of food without it hurting me. I may say that I am better than I ever expected to be. Free trial bottles at Wm. E. Ellis's Drug Store, Fenelon Falls."

If you should be so unfortunate as to Burn, Scald or Wound yourself in any way, the proper thing to keep clean and heal it is McGregor & Parke's Carbolic Gerate. Insist on having, and be sure you get, McGregor & Parke's Carbolic Gerate. Price 25 cents. Wm. E. Ellis, Druggist, Fenelon Falls, has the genuine.

Be up to the Times in Your Buying as in Everything Else.

For the progressive housekeeper the day of meagre assortment and big prices has gone by. Recognizing this fact, one house out of the many in Lindsay has come up to the requirements of the housekeeper of to-day, and that house is the City Store.

Here custom, conventional ideas, and the many narrow prejudices of the merchant give place to the broader and more advanced principles of modern trade.

So, instead of asking you to select those household requisites, such as Staple and Fancy Dry Goods, Carpets, Oil-cloths and Linoleums, from a small and poorly assorted stock, we ask you here to a mammoth stock thoroughly well assorted, while our prices are the very lowest. They must be. The very size of our stock demands it, because to enable us to carry such a stock we must have an immense trade, and to secure this trade we must sell low. The large trade thus secured enables us to buy in immense quantities and this means low prices.

Our show rooms are always crowded with visitors and buyers, and you are heartily invited to join the number. With genial hospitality we extend a walk in and make yourself at home, inquire our prices, examine our goods, test the quality and ask all the questions you desire, and bear in mind that we would rather die a premature death at 97 than misrepresent a single article.

**THE GREATEST EVENT**

And the most marked change that has taken place this season is the big come down in the prices of Dry Goods, and where it is most visible is at the PALACE DRY GOODS AND CLOTHING HOUSE. Being wide awake as to the state of the country, as well as to the wants of my patrons and the public generally, I have decided to lower my percentage by half, and that, along with my facilities for buying goods cheap, I can say that better value can be given by me in all lines of Dry Goods than anywhere else in the county. This is big talk, but I MEAN IT, and will convince any one who will wisely give me a call, and if my goods do not turn out exactly as represented will refund the money for them. Note the following special lines at job prices: 6 1/2 lb. White Blankets at \$3.25 per pair; Fine Double Breasted Overcoats for \$6; Heavy Check Full-cloth Overcoats for \$7; one No. 1 Comforth, full size, for \$1; Ladies' Mantles at less than cost; 100 pieces Scotch tweed fall suitings at less than manufacturers' prices. I am bound to make a thorough clearing out in these goods. A fine lot of Seal, Persian Lamb and Astrachan Caps, at hard pan prices. Remember, I keep the largest and best stock of goods in town, and mean business. HUGH McDOUGALL.  
The Palace Dry Goods & Clothing House.

Necessity is the Great Philosophical Truth.

October is gone, and the piercing winds and sharp frost of November will soon give us a foretaste of the rapidly approaching winter, which we are assured by the instinct of Squirrels, Muskrats and Beavers will be the most severe we have had for twenty years. Science proves that instinct never errs in her predictions. Necessity therefore will compel all, whether possessed of a healthy or weak constitution, to provide themselves with warm clothing. Begin, then, with under-clothing; in buying which be sure you buy the all-wool, as it is the best and cheapest. Come direct to the City Store, where you will find a very large assortment to choose from. Boys' Under-shirts, Girls' Combination Suits of all sizes, Ladies' Wool Under-wear in great variety, Gents' Shirts and Drawers by the wagon load at every price, Flannels in every conceivable colour and quality from 12 1/2 cents up, all-wool Grey Flannel 27 inches wide, good and heavy, for 26 cents a yard.

**Fine Merchant Tailoring**

is a leading specialty at the City Store. We keep the largest stock of English, Irish, French and Canadian Tweeds, Coatings and Overcoatings in the Midland district, and our prices are fully 20 per cent lower. Mr. Cathro is our cutter, all our coats are made by men, and we warrant a perfect fit, skilful workmanship and durable trimmings, or we refund the money. In fact we can make an ordinary looking man so handsome that he will want to shake hands with himself.
