Pope Leo XIII. will be seventy-nine years of age on the 2nd of next March.

There is a one-million bank note kept at the Bank of England to gratify the curious.

A newspaper man has been turning over the files of The Pekin Gazette. He finds that it has been published continually for 800 years, and is no "great shakes" of a paper yet.

GREENE & ELLIS'S
LUMBER YARDS,
FENELON FALLS AND LINDSAY.

We have for sale here and at Lindsay all kinds of Building Lumber, Joist, Scantling Plank, Timber, Lath, Pickets, Shingles, Fence Posts and all kinds of Planed and Matched Lumber from one to two years old. Our Common Lumber, both Pine and Hemlock, inch and two inch, is mostly new stock, cut last season, well roofed, dry and bright, manufactured expressly for the local trade of Fenelon Falls and Lindsay and surrounding country.

From our long experience in the business, and being builders ourselves, we have a good idea of what is required for first class or common building materials for houses, barns and outbuildings.

We have assorted and piled by themselves both qualities to suit purchasers. Prices from \$3 50 to \$5 per M feet and upwards.

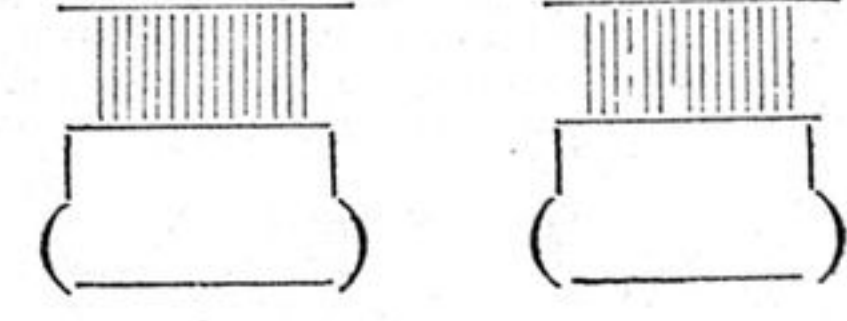

We have about two million feet that must be sold to make room for new stock. Parties requiring any of the above stock will save money by calling before purchasing elsewhere, or by sending their bills here or to Lindsay for quotations. Bills estimated and returned for approval. Can ship by car loads to all points. Can get special rates on to April next. Send on your orders. "One Dollar Saved is Two Dollars Earned."

TAKE NOTICE.—The above is all gang lumber, parallel widths.

Fenelon Falls, Jan'y 12th, 1885. 48-1y.

I'm jolly and fat,
though I needn't say that; for a glance
at my size and a look in my eyes, and
you plainly can see there's no flies upon
me. I'm a little bit short both of breath
and of hair, but from shoulders to knees
you can see I'm all there. I smile and I
laugh; I joke and I chaff; I refuse to be sad
and I never get mad. But you'd never surmise
where my happiness lies; so I'll up and confess
what you never could guess. A good suit of clothes,
as everyone knows, which will make you 'as snug as
a bug in a rug,' makes you feel so content with the money
you've spent that you're bound to feel glad, and you couldn't
get mad, though a man just as thin as a rail or
that pin was to pull at your nose or to tread on your
toes. If you're fat or you're lean, if you're pleasant
or mean, let Sootheran, Cathro and Mark sell you
clothes, and from head down to toes you will feel
such a thrill of contentment until you'll
wish you were fat to
enjoy more of that
For the feeling's
show your good
a suit and the
immense and you'll
sense by getting
feeling to boot.
