FENELON FALLS AND LINDSAY.

We have for sale here and at Lindsay all kinds of Building Lumber, Joist, Scantling Plank, Timber, Lath, Pickets, Shingles, Fence Posts and all kinds of Planed and Matched Lumber from one to two years old. Our Common Lumber, both Pine and Hemlock, inch and two inch, is mostly new stock, cut last season, well roofed, dry and bright, manufactured expressly for the local trade of Fenelon Falls and Lindsay and surrounding country.

From our long experience in the business, and being builders ourselves, we have a good idea of what is required for first class or common building materials for houses, barns and outbuildings.

We have assorted and piled by themselves both qualities to suit purchasers. Prices from \$3.50 to \$5 per M feet and upwards.

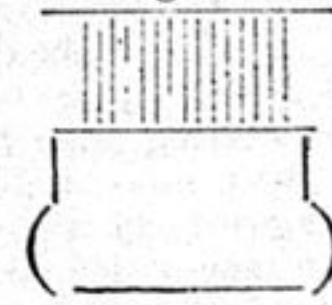

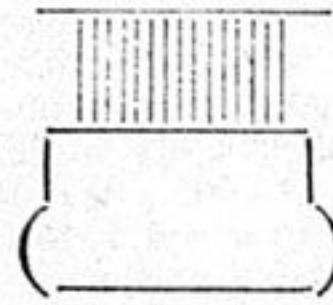

We have about two million feet that must be sold to make room for new stock. Parties requiring any of the above stock will save money by calling before purchasing elsewhere, or by sending their bills here or to Lindsay for quotations. Bills estimated and returned for approval. Can ship by car loads to all points. Can get special rates on to April next. Send on your orders. "One Dollar Saved is Two Dollars Earned."

**TAKE NOTICE.**—The above is all gang lumber, parallel widths.

SAM'L PARSONS, Agent at Lindsay.  
Fenelon Falls, Jan'y 12th, 1885. 48-17.

I'm jolly and fat,  
though I needn't say that; for a glance at my size and a look in my eyes, and you plainly can see there's no flies upon me. I'm a little bit short both of breath and of hair, but from shoulders to knees you can see I'm all there. I smile and I laugh; I joke and I chaff; I refuse to be sad and I never get mad. But you'd never surmise where my happiness lies; so I'll up and confess what you never could guess. A good suit of clothes, as everyone knows, which will make you 'as snug as a bug in a rug,' makes you feel so content with the money you've spent that you're bound to feel glad, and you couldn't get mad, though a man just as thin as a rail or C— that pin was to pull at your nose or to tread on your toes. If you're fat or you're lean, if you're pleasant or mean, let Sootheran, Cathro and Mark sell you clothes, and from head down to toes you will feel such a thrill of contentment until you'll wish you were fat to enjoy more of that For the feeling's immense and you'll show your good sense by getting a suit and the feeling to boot.
