### THE GREAT LIFE-GIVING ST. LEON.

W. W. Blott has received a fresh shipment of this rare mineral water direct from the wells. Its name and fame as a curative and rejuvenating agent are beyond all calculation. Read the following from the Toronto Globe of March 16th:

"From Nature's breast Truth priceless rings, Fresh food, fruit, flowers and healing springs."

That truth lives, grows, convinces all of nature's priceless value. That truth that led eminent practitioners to exclaim "Impossible to overrate the value of St. Leon Mineral Water."

That rare element deficient in our far inland clime, the soul of life, that impulse is derived through the use of St. Leon.

That impulse that electrifies the vital forces, giving tone and vigor to the organism, till, like nature's bard, we would sing aloud with joy, and feel as flowing through us "The golden hours on angel wings."

This pure, rare, ripe, rich fuel tones up the paralyzed organs, charges the blood with ripe molecular life-food to brain, nerve, bone, muscle and flesh. Its amalgamating and gaseous principles seek egress through channels and pores laden with poisoned waste.

Young and old, stiff, sore, sickly, or even healthy, after fairly testing St. Leon attain heights of vigor and joy past imagining.

All who value life-long, lasting strength and happiness drink St. Leon.

"For love and mercy here we see Thy hand and wisdom, Deity." 3w.
