CARD OF THANKS.

To the Editor of the Gazette.

Sir,—
Will you allow me through the
columns of your valuable paper to express
the sincere gratitude of my heart to Mr. A.
Sutherland, and others who assisted him,
for rescuing my little boy from a watery
sepulchre on the 11th inst. Such an act
deserves a public expression of thankful-
ness, which I here give with all the pos-
sible gratitude of a mother's heart.

Mrs. THOMAS ARCHER.

The Queen's Birthday.

Friday next will be the Queen's birth-
day, and preparations to celebrate it on
a grand scale in this village are being
made. Mammoth posters announce a
long list of sports in the park, and, to
add to the day's attractions, the Uncle
Tom's Cabin Troupe is to perform here
in the evening, and its procession
through the streets will no doubt be
well worth seeing. Those who wish to
spend the day away from home will
have an opportunity of doing so, as the
citizens' band has advertised an excu-
sion by the steamer *Eva* to Sturgeon
Point and Lindsay. A big crowd is
expected is Fenelon Falls.

Sudden Death.

Last Sunday morning the wife of Mr.
Archibald Campbell, of the township of
Fenelon, died from some unknown cause
after an illness of very brief duration.
The family formerly resided on Red-
ner's Point in this village, but left the
Falls some three or four years ago, and
have since lived near McLaren's Creek,
nearly six miles from Lindsay, and
about half that distance from Cambray.
During breakfast time Mrs. Campbell
left the table two or three times for the
purpose of vomiting, and, as her sick-
ness appeared to increase rather than
diminish, her husband wished to send
for a doctor, but she refused to allow
him to do so. Growing worse, she went
to Mr. Obadiah Rogers's and asked for
some salts and sienna, which they had
not got, and, upon returning, took two
teaspoonfuls of baking soda, and then
mixed some mustard and water, which
she carried into her bedroom, but it is
uncertain whether she swallowed it or
not. She was still heard vomiting; but
as the sound ceased after a while, and,
as she did not come out of her room,
her husband and Mr. George Davidson
(a neighbour who had been in the house
about three-quarters of an hour) entered
and found her lying nearly or quite
senseless on the bed. As soon as Mr.
Davidson saw her face he expressed the
opinion that she was dying, and Mr.
Campbell at once sent to Cambray for
Dr. Ray, but before he reached the
house the unfortunate woman was dead.
At the instance of a sister of the de-
ceased an inquest was held on Tuesday
afternoon by Coroner Poole, of Lindsay,
and Dr. McAlpine made a *post mortem*
examination. There were no marks of
violence on the body, and all the inter-
nal organs were in a healthy condition
except the stomach, which was sent
with its contents to Toronto for analy-
sis. Mr. Campbell, in his evidence,
deposed that his wife had on two or
three occasions threatened to poison
herself, the last time about ten days
before her death, and that there had
been "Rough on rats" in the house
last summer, but he did not know that
any of it had been left unused. Mr.
Davidson, Mrs. Hannah Tompkins and

Mrs. Annie Tompkins were also exam-
ined, but their evidence was unimport-
ant, and the inquest was adjourned
until the 15th of June, when it will be
resumed in the town hall, Lindsay, at
1 o'clock in the afternoon. Deceased,
who was a daughter of the late James
Allen of Sandy Point, was about 29
years old, and leaves five children; the
eldest under 8 years of age and the
youngest an infant of 7 months.

tainment in aid of our Institute, and

ward them a copy of the same.—Car'd.

at the call of the president.

Baddow.

(Correspondence of the Gazette.)

BUSH FIRE.—A bush fire was start-
ed on Tuesday last in Mr. Wm. Suggitt's
fallow by sparks from a log pile on the
farm of Mr. Wm. Eade. It made a
good job of the fallow, but did consider-
able damage in Mr. W. S. Dowson's
green woods.

SICK.—Mr. Wm. Slade has had a se-
vere attack of inflammation, but we are
glad to say he is rapidly recovering un-
der the skilled treatment of Dr. E. S.
Wilson, of Fenelon Falls.

BARN RAISING.—Mr. Griffin's barn
raising on Thursday last was well at-
tended, some 46 men being on the
ground. Mr. Thos. Robson and Mr.
John Suggitt officiated as captains. The
race was a very close one and was won
by captain Suggitt and his men. The
structure is large and solid, and was
well framed by Messrs. Wilson and
Bone, of Cobocouk.

PICNIC.—A basket picnic will be held
in Bailey's grove, (front range,) on the
afternoon of May 24th, under the aus-
pices of the Baptist Sunday School.
Sports to commence at 1 o'clock sharp.
A general good time is expected, and
a cordial invitation is extended to all.

Personals.

Mr. Geo. A. Metherell, of Lindsay,
was at the Falls last Wednesday.

Mr. Henry Reazin, School Inspector
for West Victoria, paid a brief visit to
Fenelon Falls on Monday last.

Mrs. McQueery, of Winnipeg, Mani-
toba, is visiting at Mr. H. W. Greene's,
and is likely to remain for several weeks.

Mr. William Fielding, Crown Lands
Agent at Minden, was at the Falls from
Saturday evening until Monday morn-
ing, when he went to Lindsay, and re-
turned home by the 3 o'clock train.

Mr. John A. Barron came to the
Falls by Tuesday's train and remained
until next morning. Our own M. P. is
a chronic victim of facial misrepresen-
tation. Grip gives a picture of itself
reviewing the "noble thirteen," and
Mr. Barron's name is printed on the
pigeon breast of a swarthy fat-faced
man with a very high nose and an un-
commonly fierce moustache. It's too
utterly too bad, as "Mr. B. has a fair
complexion and narrowly escaped being
handsome.

A plot to assassinate the Czar has
been discovered among military officers
stationed at St. Petersburg.

It is the superiority of English coal
that makes the westward trips of Atlan-
tic steamers faster than the eastward.

A Pennsylvania hunter found a cave
in the mountains the other day which
contained, as he estimated, four tons of
solid honey, but the bees pitched into
him and stung him a score of times and
ran him off before he could arrange to
gather, pack and ship.
