### Public School Report.

The following is a condensed report  
of the recent June examinations in all  
the classes except the 4th and 5th,  
which is the report of work done during  
the three months ending May 31st.  
The first ten only in each class are giv-  
en, and those with stars after them are  
promoted. But few are promoted, the  
reason being that Mr. McDougall, the  
head master, is endeavouring to raise  
the standard of the school, and he  
hopes that by Christmas a large number  
will be prepared to step up.

### Baddow.

(Correspondence of the Gazette.)

The Rev. Mr. Young, of Kiamount,  
delivered his famous lecture on Roman-  
ism and Jesuitism in the Baptist church  
here last Thursday evening. A large  
number of citizens were present. The  
lecture, which was a solid one, was well  
delivered. Mr. E. Watson officiated  
as chairman. Music was furnished by  
the choir, and the ladies provided an  
ample supply of refreshments. Votes  
of thanks were tendered, and all went  
home well pleased.

Mr. Thomas and Miss Emma Clem-  
ence are home again, after spending  
some time with their brother James, of  
Longford.

Miss Carrie Irvine, of Oakwood, and  
Miss Essie Hooley, of Toronto, spent a  
few days visiting friends here last week.

During the last year our Methodist  
church has been much improved, having  
been clapboarded and painted. A new  
picket fence has also been built, and  
Mr. Day has taken the contract of  
painting it and erecting gates.

The big blue hawk was shot last  
Sunday morning by Mr. John Bude...  
Crops looking splendid...Farmers busy  
having...Mr. W. S. Dawson lost a val-  
uable brood mare last Monday morning.  
She got entangled in a rope, with which  
she was tied down.

### Powles's Corners.

(Correspondence of the Gazette.)

The Rev. Mr. Parker preached his  
first sermon here on Sunday last, taking  
his text from Philippians, the 3rd chap.  
20th verse. Mr. Parker is an excellent  
speaker, and we trust that a great work  
may be accomplished in his new field  
of labour.

Mrs. Charles Ward, of Cobourg, is  
visiting her parents, Mr. & Mrs. John  
Cullis. We wish her a pleasant and  
enjoyable time and a safe return home.

Mr. F. Dewell, who has had the con-  
tract for the McGee Bros.' barn, will  
finish the job in a few days. Mr. Dew-  
ell's work is well done, which shows  
that he is master of his business, and  
any one contemplating building would  
do well to consult him.

A Buffalo paper says that if the city  
had the money stolen from it by boot-  
lers during the last twenty-five years  
the sum would pave every street in  
the city and keep them in repairs for  
ten years.
