FENELON FALLS AND LINDSAY.

We have for sale here and at Lindsay all kinds of Building Lumber, Joist, Scantling, Plank, Timber, Lath, Pickets, Shingles, Fence Posts and all kinds of Planed and Matched Lumber from one to two years old.

Our Common Lumber, both Pine and Hemlock, inch and two inch, is mostly new stock, cut last season, well roofed, dry and bright, manufactured expressly for the local trade of Fenelon Falls and Lindsay and surrounding country.

From our long experience in the business, and being builders ourselves, we have a good idea of what is required for first class or common building materials for houses, barns and outbuildings.

We have assorted and piled by themselves both qualities to suit purchasers. Prices from \$3.50 to \$6 per M feet and upwards.

We have about two million feet that must be sold to make room for new stock. Parties requiring any of the above stock will save money by calling before purchasing elsewhere, or by sending their bills here or to Lindsay for quotations. Bills estimated and returned for approval. Can ship by car loads to all points. Can get special rates on to April next. Send on your orders. "One Dollar Saved is Two Dollars Earned."

**TAKE NOTICE.**—The above is all gang lumber, parallel widths.
