ANOTHER MILL.—Mr. F. Sandford is making preparations to convert part of his large factory at the north end of the iron bridge into a grist and chop mill, which he expects to have ready for operation in about six weeks.

The sale of the McCrimmon Bros' Bankrupt Stock is now in full blast at their old stand, corner Kent and William streets, opposite A. Campbell's grocery, Lindsay.

TEMPERANCE MEETINGS.—The first of the series of Gospels temperance meetings conducted by Messrs. Moull and Rossiter, representatives of the Royal Templars of Temperance, was held in the Methodist church on Sunday afternoon, and the second in the evening in the Baptist church.

TO DELINQUENTS.—This is the time of year at which farmers have money, and we wish to impress upon those who are in arrears for the Gazette that it will be to their advantage to pay up, especially those who owe for more than one year.

THE PRINCE OF WALES has been reviewing the Egyptian army. Had he been reviewing the brave defenders of this much colder country he would certainly have advised the Government to provide them with Kean's \$4.75 overcoats, at the cheap store on the corner.

NAVIGATION.—The steamers plying on our local waters have been "humping themselves" lately, and in a very few days will have finished their work for this season.

WHO WILL GET UP AND LIGHT THE FIRE? is a question that has been the germ of serious domestic troubles with new beginners in house keeping since time immemorial.

At the annual stud sheep sales at Melbourne, 700 guineas were paid for a single ram, and 525 guineas for another sheep.

Rev. Phillips Brooks's remark that the Church is far behind the politicians in its dealing with the race problem, is a pretty hard rap at the Church.

MARRIED!

We have much pleasure in announcing the marriage of Miss Nina Clock to Mr. John R. Time.

Miss Clock that was, is a lady of most striking beauty. She was right on time in getting married, her age being just sweet.

Her facial loveliness is proverbial in this district, and but for the sad fact of her being born without teeth...

At one time she had got the name of being extravagant and running fast into debt. Now that she is married she doesn't want to go on tick too much or her husband will never.

We are sure her beauty will only be out-rivalled by her good works, and when the former grows wan and fades through the inroads of time...

She has a very weighty nature, and when she strikes out to deliver a woman's rights address she is certain never to stop until the last stroke of the hammer drives the nail of conviction deep into the minds of her hearers.

GREENE & ELLIS'S LUMBER YARDS,

FENELON FALLS AND LINDSAY.

We have for sale here and at Lindsay all kinds of Building Lumber, Joist, Scantling Plank, Timber, Lath, Pickets, Shingles, Fence Posts and all kinds of Planed and Matched Lumber from one to two years old.

Our Common Lumber, both Pine and Hemlock, inch and two inch, is mostly new stock, cut last season, well roofed, dry and bright, manufactured expressly for the local trade of Fenelon Falls and Lindsay and surrounding country.

From our long experience in the business, and being builders ourselves, we have a good idea of what is required for first class or common building materials for houses, barns and outbuildings.

We have assorted and piled by themselves both qualities to suit purchasers. Prices from \$3 50 to \$5 per M feet and upwards.

We have about two million feet that must be sold to make room for new stock. Parties requiring any of the above stock will save money by calling before purchasing elsewhere, or by sending their bills here or to Lindsay for quotations.

TAKE NOTICE.—The above is all gang lumber, parallel widths.
