

# Carpets and Oil-Cloths, No. 9 Keenan's Block, Kent Street, Lindsay.

Navigation has opened at Sault Ste. Marie.

Lorenzo Coleman, the insane son of a well-to-do farmer near Steubenville, Ohio, shot his mother and sister and the hired man, because he thought the shooting would reduce the price of coffee. The maniac is in custody.

A frightful murder was committed in a New York slum during the night of April 23rd. The victim, an elderly woman named Carrie Brown, was first strangled to death and then terribly mutilated, her abdomen having been cut open and part of the viscera carried away. The assistant engineer of a steamer was arrested because of his real or supposed resemblance to the man who entered the house with the unfortunate woman, but there does not appear to be any evidence against him. Some think that "Jack the Ripper" did the deed.

At the Registrar's office in South Shields, England, on April 26th a mid-girt girl only 32 inches high was married to Prof. Hedley, a man 6 feet 1 inch tall. Humbert, the man without arms, gave the bride away, signing the certificate by holding the pen between his teeth. The bridesmaid was Miss Nina, the American giantess, who weighs 616 pounds. The best man was Capt. Dallis, who is 7 feet 10 inches tall. Gen. Metilone, 29 inches high, was one of the wedding party. All were connected with a travelling circus going through the country.
