

Carpets and Oil-Cloths, No. 9 Keenan's Block, Kent Street, Lindsay.

"Jack the Chicken Ripper" is the latest of his class, and operates among the henneries of Montclair, N. J. The other morning more than 500 chickens were found in three streets of that town. The throat and breast of each had been ripped open.

The Saale Zeitung states that the late Count von Moltke, just prior to his death, concluded an exhaustive study of European armaments, ending with the assertion that France was ready for war and Russia nearly so, and that a great conflict would not be delayed beyond 1892.

A terrific storm passed over Paris (France) on the evening of the 21st of May, causing considerable damage and creating much alarm. A huge waterspout formed on the Champ Elysee, traversed the Place de la Concorde and burst in the Jardin des Tuileries uprooting trees, destroying lawns and flower-beds and washing away pathways. A thunderbolt fell in the E-planade des Invalides, but there was no loss of life. Great consternation prevailed in the neighborhood attacked by the storm.
