Carpets and Oil-Cloths, No. 9 Keenan's Block, Kent Street, Lindsay.

A good crop of hops is promised in Essex county.

Latest reports indicate a heavy deficiency in the European rye crop. Russian crop reports indicate that

there will be no grain for export, and

that corn will have to be imported .. John Burns fell from a cable of the Suspension bridge 100 feet into the water on Saturday and was not much

hurt. The Washington Ston says Fred Douglass, the colored United States minister to Hayti, has brought to Washington a reciprocity treaty and is now ready to resign:

The custom-house agent in Duisburg assessed a collection of butterflies as " poultry," for the reason that they had wings, and it required much time and patience to get the collection passed free as an object of science and art.

Elegant equir a zes are more noticeable this summer than ever at summer resorts. At Saratoga there is a notable harness that is the talk of the place. Al parts are made of English patent leather, the trimmings are triple silver-plated, and there are twenty-two solid silver monograms upon it.
