Personals.

Mr. Lewis Manning left the Falls for Duluth last Monday.

Mr. George A. Metherell, of Lindsay, was at the Falls on Wednesday.

Mr. E. Gregory and Mr. Matthews of Lindsay visited the Falls on Sunday. Miss Maggie Robson left here on Monday to join her mother in Wisconsin.

Mrs. Thos. Archer and her daughter Hattie returned from Rochester on Wednesday.

Mrs. W. R. Dick, Winnipeg, mother of Mrs. John A. Ellis, is expected to arrive at the Falls by to day's train.

Misses Minnie Clark, Elizabeth Ellis, Annie McCallum and Alice McDiarmid are attending the Baptist Young People's Convention in Toronto.

FINAL NOTICE—All notes and accounts not paid before June 1st, will be placed in court for collection.—W. E. ELLIS.

RAIN—We have had three or four showers of rain lately, but the heaviest and warmest was on Tuesday last, and under its influence the grass and fall wheat are growing at a great rate.

ANOTHER CARLOAD—Mr. Henry Austin left on Tuesday with 20 head of cattle, 16 hogs and 9 sheep for Montreal, where he sold a carload of live stock less than three weeks ago at very satisfactory prices.

THE VOTERS' LIST TRIALS—During the past week preliminary examinations have been held in Lindsay and other points of persons charged with having committed perjury for the purpose of having names added to the voters' list previous to the late election; but the matter is so serious that we do not care to mention names until we are in possession of more reliable information than we have so far been able to obtain.

BOTH DEAD—Mr. Wm. Smitheram's horse that injured its spine by colliding with a tree while running away some time ago, had to be killed, as there was no possibility of his ever being of any use; and Mr. John Simpson's Lapidist Chief died last Friday. A post mortem examination showed that the broken bone in his leg had knit better than could be expected, but gangrene, or blood poisoning, or something of that nature set in and quickly proved fatal.

WINDY—More than one of our villagers asserted on Good Friday that the wind that was then blowing from the north-west would continue with but few intermissions for forty days, and so far their prediction has been verified. Sometimes the wind specified has taken a brief rest, generally getting one of the other winds to officiate in its place, but we don't think there has been a single calm of 24 hours' duration since the 15th of April, twenty days ago, and if we are to have twenty more of the same blustering weather it will become rather monotonous and wearisome. What consolation there can possibly be between Good Friday and the wind we can't imagine; and if somebody who knows all about it will kindly rise and explain we shall feel deeply grateful.

A fire in Winnipeg on Sunday morning destroyed \$90,000 worth of property, which was insured for \$40,000.
