W. T. JUNKIN.

W. R. MADILL.

Fenelon Falls, May 26th, 1892.

The Fenelon Falls Gazette.

Friday, June 3rd, 1892.

A Fruitless Errand.

In compliance with a resolution passed at a public meeting held in Jordan's Hall on the 18th ult, Mr. John A. Ellis, reeve of Fenelon Falls, went to Montreal last week and interviewed L. J. Seargeant, Esq., General Manager of the Grand Trunk Railway Co., with the view of procuring, if possible, Saturday market tickets, at reduced rates, from all points north to Fenelon Falls. Mr. Ellis was, of course, courteously received and given a patient hearing; but—as every body except possibly a few unusually sanguine individuals expected—he could obtain nothing more encouraging than a promise that the matter should be submitted to the directors' consideration. Mr. Seargeant pointed out, firstly, that market tickets had never yet been granted to any but county towns or large terminal villages on branch lines; and, secondly, that if Fenelon Falls had them a host of other small places would want them too. We think, however, that exceptions ought to be made in favor of villages which, like the Falls, voted large railroad bonuses; but the G. T. R., being a corporation, and corporations having no souls, will do exactly what it thinks best for its own interest. Reduced passenger rates to large places are a great injury and injustice to smaller ones, and any village which in the future may be asked to vote a railway bonus will be wise to make it a condition of granting the required aid that there shall be no "market tickets." At the meeting which sent the reeve to Montreal, it was moved and seconded that his expenses should be paid out of the public treasury; but, as this was loudly objected to by a couple of ratepayers, the necessary sum was subscribed by the village merchants, who, the objectors argued, would be the only persons benefited by the abolition of the Saturday tickets; and the amount required was so small that the question was not thought worth debating.

Out of His Element.

Mayjaw Sam Hughes, the new—and perhaps only temporary—M. P. for North Victoria is evidently out of his element in the House of Commons. Being able-bodied, blatant and boastful, he takes well with the roughs and illiterates, who look upon him as an Admirable Christou; but down at Ottawa the opinion formed of him is anything but complimentary to himself or the constituency that sent him there. An insatiable craving, amounting almost to a craze, for celebrity—and, failing that, for notoriety—is the predominant weakness of himself and his brother James L., and is constantly subjecting them to uncomplimentary criticism. Quite recently Mr. Inspector Hughes made himself ridiculous by drawing up a sort of criminal code for the schools under his supervision, the enforcement of which would make life unbearable to the

pupils, who will find it almost impossible to so govern themselves as to avoid incurring penalties for the violation of some petty, exasperating and entirely supererogatory regulations. Mr. Sam Hughes can't get himself talked about as a school inspector, but he can as a member of Parliament, and he appears to miss no opportunity of doing so, even by means that bring a blush of shame to the cheeks of his constituents. Mr. Tittlebat Titmouse acquired disgraceful fame by crowing like a rooster in the British House of Commons, and Sam Hughes aroused deeper indignation by singing "Nearer my God to Thee," during an all night session, than was excited by poor "Tit's" performance. The Pulpit as well as the Press has taken him to task; but, though he has not offended a second time by singing a hymn in the House, he cannot refrain from drawing attention to himself by warbling secular ditties, being no doubt as proud of his voice as he is of everything else that is his. Clearly, the people of North Victoria made a mistake when they sent Bully Hughes to represent them in Parliament, where he is entirely out of his element; for, though there may possibly be a few of his own kidney amongst his fellow legislators, they have the grace to suppress their rowdiness while in the presence of their superiors, but Sam, in the plenitude of his egotism, allows no consideration of the eternal fitness of things to restrain him.

Ontario And The World's Fair.

If present indications can be relied upon Ontario will have good cause to be proud of the exhibit which Mr. N. Awrey, M. P. P., the Provincial Commissioner for the World's Fair, is now preparing for the great Columbian Exposition. Applications for space have come in so numerous already that Mr. Awrey has been forced to pay a visit to Chicago to secure increased room for our proposed display. Even then it will be necessary in the fall to cull over the offerings, when possibly 75 per cent. of them will be rejected, so that what will go to the World's Fair will be the very choice of what the Province can produce. To accomplish the best results it is necessary that the public at large should enter cordially into the spirit of the enterprise, and assist the Commissioner in making a display creditable to the Province, and a standing advertisement of the enterprise and industry of its people.

Verulam Council.

Council met at the Town Hall, Bobcaygeon, on May 28th, as a Court of Revision. Members were all present, and, having taken the prescribed oath, proceeded to business, the reeve, J. Lithgow, Esq. being moved to the chair.

Wm. Kennedy, sworn, said he was higher assessed than P. Warren, Mr. Tully, Mr. Lewis, Morgan Johns and several others in his neighborhood.

Moved by J. Lewis, seconded by J. Kelly, That Wm. Kennedy's assessment be confirmed.—Carried.

Moved by J. Kelly, seconded by D. Robinson, That Thos. Herron's assessment be reduced \$400 on east half lot 17, con. 6.—Carried.

Moved by J. Kelly, seconded by J. Lewis, That the east half of lot 11, con. 8, be assessed to Wm. Jackson, 100 acres at \$1000, instead of J. D. Piggot, and that the west half of said lot be assessed to J. D. Piggot, at \$500.—C'd.

Moved by Wm. Mann, seconded by D. Robinson, That the east half of lot 15, con. 3, be struck off the roll; that north part east half lot 29, con. 2, 18 acres, be assessed to M. M. Bayd, and W. T. C. Boyd instead of to John Bick; that lot 11, con. 4 be assessed on non-resident roll instead of to John Bick; that Henry M. Burley be assessed as a joint owner of west half lot 25, con. 3; that W. and Arch. Lamb be assessed as joint tenants of east halves of 30 and 31, con. 4; that Dan'l McGinnis be assessed as tenant of lot 3, con. 8, and that Wm. Devitt be assessed for south half lot 27, con. 7, instead of to Thos. G. Devitt.—Carried.

On motion of John Kelly, Court of Revision adjourned to 27th June.

Members then proceeded to regular Council business.

Moved by D. Robinson, seconded by Wm. Mann, That \$50 be granted on Cua. line between 3rd and 4th con. opposite lots 19 and 20.—Carried.

Communications were read from James Dickson, P. L. S., relative to a new piece of road through part of east half lot 18 con. 3, and from S. W. Metcalf enclosing an account for meat supplied Miss Wilkinson, amounting to \$10 47.

Councillors Kelly and Robinson reported that they had visited the Wilkinson family as requested, and would recommend to continue the allowance, and also found on inspecting S. Beggs's gravel pit there was enough gravel on the road to serve for some years to come.

Moved by Wm. Mann, seconded by J. Lewis, That a grant of \$50 be made to road on quarter line between lots 25 and 26 across 7 con. and David Robinson be the commissioner for same.—C'd.

Moved by J. Kelly, seconded by D. Robinson, That a grant of \$50 be made to quarter line between lots 25 and 26, con. 8, and that Wm. Mann be the commissioner for same.—Carried.

Moved by J. Kelly, seconded by Wm. Mann, That a by-law be read and passed appointing road commissioners, defining their territory and fixing the amount to be expended by them.—C'd.

By-law read and passed.

Moved by Wm. Mann, seconded by John Lewis, That ten dollars be granted to Mrs. Martin Johnston.—Carried.

Moved by D. Robinson, seconded by Wm. Mann, That the following accounts be paid and orders drawn on the treasurer for the same: S. W. Metcalf, meat furnished Miss Wilkinson, \$10 47; Wm. Humphries, work and plank on Emily Creek Bridge approaches, \$8 40; Chas. E. Stewart, printing and advertising, \$4; John Duggan, jr., balance compensation for road, \$8; Alex. Dunseath, salary as Assessor, \$55.

On motion of Mr. Kelly, council adjourned to 27th June.

Personals.

Mr. Wm. Doyman, who has been practising his profession as a blacksmith at a lumber shanty in Cavendish since about the middle of March, returned home on Saturday, and on Tuesday morning left for Harwood.

Miss Minnie Kerr, daughter of Mr. John Kerr, of Manilla, formerly a resident of the township of Verulam, is visiting her numerous relatives at Fenelon Falls.

Mr. John T. Robinson, of Bobcaygeon, drove to the Falls on Tuesday, and was accompanied by Mr. Joseph Young, of Millbrook. 'Cayceonites generally drop in to see how the Gazette is getting on, and Mr. Robinson and his companion followed the rule.

Mrs. W. H. Robertson, of Peterborough, is visiting her mother, Mrs. Brandon, at the Falls.

Mrs. Bowman has returned home, after spending some months at Toronto and Bowmanville.

Mr. O. Bigelow, of Lindsay, attended the Court of Revision in this village on Wednesday.

Mr. M. W. Minthorne, of Toronto, was here yesterday.

CHANGED HANDS.—The Fenelon Falls restaurant has changed hands, Mr. W. W. Blott having, on account of failing health, sold out to Mr. J. C. Roy, of Minden, who took possession a few days ago.

THE ELLA FENTON SOLD.—Mr. Wm. McClellan of this village has sold his steam yacht, the *Ella Fenton*, to Mr. Thexton of Lindsay. She is a strong and speedy little craft, only two years old, and Mr. Thexton got her, we are told, for a great deal less than she cost, but we have not heard the price.

RAPID GROWTH.—We were shown on May 30th a handful of lawn grass, clipped from a patch close to Mr. John Daniel's house in Fenelon, which measured 22½ inches from the root to the top of the head, which was just shot out, and from tip to stem 30 inches. This shows that, although the weather has been cool, there has been a very rapid growth.

BIG EGGS AGAIN.—Mrs. Andrew Gillis, of Verulam, brought us, last Saturday, two large eggs, one of which weighed 3½ and the other 3¼ ounces. The hen that laid them is part Shan-zhai and part white Spanish. She must try again and do a little better to beat the local record, as we have seen two or three eggs at different times that exactly balanced the scale at 4 ounces.

GONE TO CONFERENCE.—The Rev. D. N. McCamus left on Wednesday, and Mr. Joseph McFarland on Thursday, to attend the Methodist conference at Port Hope. They will be absent at least a week, and Mr. McCamus's pulpit will be filled on Sunday by lay brethren who have the gift of preaching. The Bobcaygeon circuit will be represented by Revs. Snowden and Magahay and two lay delegates—Mr. S. McClelland of Bobcaygeon, and Mr. Alex. Ellis of Verulam.

FOOTBALL.—The Fenelon Falls foot-ball club met on Thursday, May 26th, and organized for the season, the following officers being elected: President, Thos. Robson; vice-president, W. R. Madill; secretary-treasurer, Dennis Twomey; captain, W. T. Junkin; committee of management, R. Taggart, T. Graham, R. DeLury, J. Armstrong, D. Twomey and W. T. Junkin. The boys expect to play the return match with Balsam Grove in the park next Thursday, when a lively game may be expected, as the visitors are determined to recover their laurels, lost on the 24th of May. Come and see it.
