Struck a Rich Flow.

NATURAL GAS IN WELLAND COUNTY THAT EQUALS ANYTHING IN OHIO.

WELLAND, Dec. 9.—The biggest strike of natural gas in Canada has just been made at Skerston, Welland County. It is equal to any of the Ohio wells. The daily flow is estimated at 10,000,000 feet.

The Erie County Natural Gas Fuel Company, of Buffalo, who made the strike, at once connected the well with their main to Buffalo; the result was that the pressure in 15 minutes rose from 65 to 250 pounds to the inch.

At Bertie, Ont., the same company made another strike. The well in this case produced 2,000,000 feet a day.

Great Cattle Loss.

NO RAIN FOR MORE THAN TWO YEARS IN PART OF NEW MEXICO.

DENVER, Col., Dec. 10.—A prominent cattleman from northwestern New Mexico, just arrived here, tells of fearful suffering among the cattle of the drought-stricken districts.

"He says that for more than two years the heavens have refused to yield rain, and as a result the water courses are dried up and the irrigated ditches are useless. At a low estimate, 75,000 to 100,000 head of cattle have died from starvation and lack of water. Railroads are shipping cattle out of the region by train loads, but thousands of these cattle will die, as they are too weak to withstand the winter. Some cattle companies estimate their loss as high as 60 per cent., and the average will run 35 to 40 per cent. The sheep are in almost as bad a condition as the cattle. Heaviest losses are reported in Calfax and adjoining counties."

The Fair Sex Win.

SIR OLIVER MOWAT CAST THE VOTE THAT MADE WOMEN LAWYERS.

TORONTO, Dec. 10.—The doors of the Law Society of Ontario have been opened to women, and these gentle creatures may now enter on the study of law in accordance with the Act of the last session of the Legislature, which empowers the Benchers to allow women to enter upon the study of and to qualify themselves for the profession of a solicitor.

The meeting of convocation was called for 10.30 a. m., but as many of the members were engaged in the courts it was postponed till 12.30. At that hour 24 benchers filed into the board room, one was called to the chair and the other 23 proceeded to discuss the resolution to reconsider the vote of last term, excluding women from the society. When the vote was taken and counted the result was 12 for the admission of women and 11 against.

The matter was referred to a committee to draft a code of rules, and it will again come before convocation when the report of this committee is ready.

It is understood that Attorney-General Mowat was present and cast a vote in favor of the ladies.

Suicide Near Madoc.

MADOC, Dec. 10.—George Haggerty, a well-to-do farmer residing about two miles from Madoc village, committed suicide this morning by cutting his throat. Haggerty started for Madoc with his wife in a sleigh. When about half way to town he suddenly turned his team and went back home, put his horses in the stable, went into the house and took out a butcher-knife unobserved by any of the family, went to a hog pen from which the hogs had been removed a short time ago, and slashed his throat three times. His groans attracted his daughter, who ran and found him struggling on the hog-pen floor. A doctor was sent for immediately, but he expired in a few minutes. No reason can so far be assigned for the rash act. He was about 46 years of age, and leaves a wife and three children.

Joseph Krulazski, a wild eyed anarchist, was arrested last night. He carried a satchel which he said was full of dynamite, with which he intended to blow up Andrew Carnegie when he landed in America. He was making a speech on Carson street and had quite a crowd gathered about him. The satchel was soaked in water and was found to contain nothing but brick.
