

ARTIST ANNIVERSARY.—The ninth anniversary of the Fenelon Falls Baptist Church will be held on Monday next, January 2nd. Tea will be served in the vestry from 5 until 7 p. m., after which addresses will be delivered by the resident ministers and others. Good music will be furnished by the choir. Admission 25 cents; children under 12 years old 15 cents. Proceeds in aid of the parsonage fund.

Christmas Beauties.

The famous Shoe Men, JOHNSTON & SIBSON, have the loveliest imported Shoes and Slippers ever shown in Lindsay.

First Door East of Daily House

THE RINK.—The Fenelon Falls skating and curling rink was thrown open to the public free of charge on Saturday last, and the formal opening took place on Monday, when the band was present and an admittance fee of 10 cents had to be paid. The price of tickets for the season has been fixed at \$2 for a gentleman, \$1 for a lady, and \$4 for a family. On Thursday (yesterday) afternoon a match at curling was played between the Lindsay and Bobcaygeon clubs, and resulted in a victory for the former, who won by fourteen shots on two rinks. A grand skating carnival is to be held on Tuesday, January 10th.

Thawing Dynamite.

ALBUQUERQUE, N. M., Dec. 27.—A frightful explosion of several sticks of dynamite occurred in the Mogallian mining districts yesterday. Fred Bailey and W. Black, miners, had placed dynamite in the stove to be thawed out. The sticks exploded and the shanty was blown down. Black escaped with only serious cuts and bruises over his body, but the injuries that Bailey received were frightful. His legs were blown off and his scalp was torn off. He also received terrible cuts on the head from a flying piece of stone. He will die. Other houses in the vicinity were also destroyed.

Will Seize No More.

VANCOUVER, B. C., Dec. 23.—Capt. De Levron, of the Russian cruiser Zibak, who was instrumental in seizing the Canadian sealers this summer, has had his commission revoked. It was proven against him that on two distinct occasions he ran into harbor once for 10 days and again for 15 days, during the height of the sealing season when the "poachers" were as thick as bees on the forbidden grounds. This offence has been considered so great in the eyes of the Russian Government that De Levron's commission has been permanently revoked, and he will never again be given command of any vessel sailing under the Russian flag.

Buried in Snow.

WICHITA, Kan., Dec. 27.—Snow fell again last night, and after a brief intermission resumed operations about 10 o'clock to-day. Railroad men say that traffic in Kansas is badly demoralized. Trains are all pulled by two locomotives, and still many are so far behind time that they have been almost lost sight of. Last night, for the first time for 10 days, a train got in over the Wichita and Western, but to-day the road is again blocked, and Comanche and Clark counties are shut off from the world. Arrivals from Englewood last night report terrible losses among stock in that section, and on the ranges in No Man's Land thousands of cattle, they say, have died.

South Sea Pleasantries.

SAN FRANCISCO, Dec. 24.—Advices from the south seas of some bloody events have been received. The Kanaka crew of the French vessel Constantine murdered the captain and mate, looted the vessel and turned her adrift. She went on a reef and became a total wreck. M. Pasquin, owner of the Constantine, was shot on Oct. 5th, as was also Capt. Marie, whose corpse was cooked for a feast. Four Kanakas, who attempted to rescue the captain, were massacred. While the vessel named Three Cheers was at Fead Island, an attempt was made to arrest the chief and his son, who murdered a trader named Core. When Captain Stade, of the Three Cheers, demanded the chief he was shot dead by the latter's son. Capt. Stade's murderer was subsequently captured and shot.

A farmer in Quebec was taxed by an adjoining parish, the amount of bill being 4 1/2 cents. He refused to pay, and the action brought by the parish was dismissed, with costs amounting to \$500. An appeal changed the decision, with a bill of costs against the farmer \$1,200. As his farm was sold to satisfy it, he could not appeal and have the decision changed again. It is to be regretted that the frequency of such cases excites no more than a passing interest.

Intensely cold weather prevails in England.

The Mississippi river is frozen over from shore to shore at St. Louis.

A shock of earthquake was felt at Cornwall early on Sunday morning.

The thermometer registered 35° below zero at North Bay on Monday morning.

The heaviest snowstorm in five years prevailed yesterday at Augusta, Georgia.

A million dollars have been expended in new farm buildings in Manitoba this year.

A despatch from Cheboygan, Mich., says the straits are frozen over at the earliest date for years.

Snowstorms continue in Kansas and thousands of cattle are perishing, while railway traffic is paralyzed.

The St. Peter-burg correspondent of The Standard says: A British consul who has visited the famine districts of Kiel, Bessarabia, Khartoff, Koursk, Kazan, Orel, Tula and Vorenesk reports that the peasants are dying like flies of hunger and disease. There are no signs of relief from the horrors of a hard winter. In Sebastopol he learned from a trusty source that cholera is raging severely on the Circassian slope. Hundreds of deaths have been reported in the last fortnight.

MARRIED.

McDUGALL—SHARPE.—At the residence of the bride's mother, Lindsay, by the Rev. R. Johnston, on Wednesday, Dec. 28th, Mr. Duncan McDougall, head master of the Fenelon Falls public schools, to Esther Lillian, third daughter of the late Hugh Sharp, of the township of Fenelon.

TO THE ELECTORS

**—OF THE—
Village of Fenelon Falls.**

GENTLEMEN.

I have been your Reeve for the present year, and I am nominated for another year. It is for you to decide. You all know, and I hope have not forgotten, my actions in the past. Any enterprise got up in your village I have always been about the first to assist, both with money and time. There are two important matters to come before your council next year. One is the renewal of the Napanee Paper Co's Leases; the other is the chances of J. W. Howry & Son's cutting fifty or sixty million feet of lumber in your village. I am acquainted with those people, and was with them in Toronto. They laid their plans before me, and I shall do all in my power to have the stock manufactured here. They will be here some time in January.

I heard a story yesterday that I am not favorable to the pulp mill. That is not true; I only wish there were half a dozen of such industries in our village.

You have plenty of good men to pick a council from. You had no law costs to pay last year. Everything went along nice and smoothly.

Vote for me early and often.

I am, gentlemen,
Your obedient servant,
JOHN A. ELLIS.
