

Carpets and Oil-Cloths, No. 9 Keenan's Block, Kent Street, Lindsay.

Capt. Fremont Crandell of Lindsay was at the Falls for a short time last Monday afternoon, and left by stage for Bobcaygeon.

Miss Minnie Clark, daughter of Mr. A. Clark, Sr., of this village is home on a visit. She is a professional nurse in the Toronto General Hospital.

Miss Jane Hopkins, who moved from here nearly a year ago to Brighton, returned last week with the intention of again becoming a resident of the village.

Miss Willie Greene, who has been home on a visit, returned yesterday morning to the Toronto Abbey, where she is pursuing her studies as an elocutionist.

Mr. R. J. Henry of Mono Mills, who has been studying for some time past at the Toronto Veterinary College, has come to the Falls with the intention of remaining all summer with his old acquaintance, Dr. R. M. Mason.

M. I. ENTERTAINMENT—The Eden Fontana Combination will appear in Dickson's hall in this village on the evening of Friday, the 20th inst., under the auspices of the Mechanics' Institute. For particulars see bills.

PLACE OF MEETING CHANGED—Parties interested will please take notice that the Foresters' meeting on Tuesday evening next will be held in Dickson's hall instead of the True Blue hall, circumstances having rendered the change necessary.

DENTAL—Dr. Neelands, dentist, Lindsay, will be at the McArthur House on Tuesday, April 17th. Beautiful artificial teeth at lowest possible prices. He uses the best pain obtunder as well as gas for extracting teeth. Call in the forenoon if possible, as he can only remain one day.

SHILOH'S CURE is sold on a guarantee. It cures incipient consumption. It is the best cough cure. Only one cent a dose; 25 cents, 50 cents and \$1 per bottle. Sold by W. T. Junkin.

MORE BICYCLES—By Wednesday's train two new bicycles from Toronto arrived at the Falls—one for Mr. Harry Paley and the other for Mr. William Heard. They are the kind known as the "Rudge Bicycleette," were made at Coventry, England, and the catalogue price is \$140 each. There are now six cycles in the village, and a couple more will be here before long.

MARTINS AND SWALLOWS—The first well authenticated martin to arrive at the Falls this year was seen last Friday on Mr. Wm. Campbell's bird house, and now there are plenty of them and of swallows also. As a rule the swallows come two or three days before the martin; but this season the order is reversed. Last spring a few swallows arrived late in March and the first martin was seen on April Fool Day.

CAPT. SWENNEY, U. S. A., San Diego, Cal., says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50 cents. Sold by W. T. Junkin.

ACCIDENT—Last Monday, a little before noon, Mr. John Meeks got about half of the first joint of the second finger of his left hand nipped off between a shaft and its boxing while assisting to remove the old machinery out of the red mill. He went to Dr. Wilson, who dressed the wound, which has caused a good deal of pain, as injuries of that nature always do, and will lay Mr. Meeks up for some little time.

SMASH-UP—About 5 45 on Wednesday evening, when the regular train was a short distance above Kinmount, two box cars and a "smoker" ran off the track from some unknown cause. The box cars were badly smashed, but the other escaped with less injury and nobody was hurt. An auxiliary train was sent from Lindsay as soon as possible, the track was cleared by 2 a. m. on Thursday, and the mail train reached Haliburton an hour later.

SUDDEN DEATH—Mr. Samuel Corneil, an old and well-known resident of Lindsay, fell dead in his garden about 1 p. m. on Saturday last, but was not found until two hours afterwards. No inquest was held, but the medical men said he died of heart failure. Mr. Corneil was 58 years old and leaves a wife and five children, all grown up. He was a fine looking man of good abilities and education, and his estimable qualities gained for him a wide circle of friends, by whom his sudden taking off will be unfeignedly regretted.

WHO OWNS IT?—The Rev. David Wright of Lindsay, who favored us with a call last Tuesday, still has the ring that he picked up on the road between Fenelon Falls and Baddow about a year ago, and wishes he could discover the owner. The finding of the ring was briefly announced in the *Gazette* at the time, but no description of it was given, and Mr. Wright now authorizes us to state that it is apparently of considerable value, as it is made of gold and contains a large stone and some smaller ones of a different kind arranged in a rather peculiar pattern.

Fenelon Falls market same as last week.

Daniel Riz, proprietor and publisher of the *Hamburg, Ont., Independent*, says: "I was suffering from dyspepsia and liver trouble. I took a few bottles of Shiloh's Vitalizer and it cured me. I can heartily recommend it."

ROUGH WEATHER—Those who predicted about a month ago that the fine weather we were then enjoying would not last, proved to be right, and the spring, after all, will be later than that of last year. Chilly breezes during the days and bitterly cold nights have been the rule for some time past, and on Tuesday a high wind blew down part of the fence around the south ward school-house and so severely shook the frame house on Francis-st., occupied by Mr. McKay that a considerable portion of the brick veneering under the front gable was loosened and fell crashing through the platform below. During Tuesday night about two inches of snow fell, but next morning the sun soon disposed of it, and since then the temperature has been somewhat higher.
