STRONED. - In our last issue Mr. W. E. Ellis, who is about to remove to Vernon, British Columbia, advertised a sale of his household furniture, but bills postponing the sale have been circulated, as owing to the damage done by floods to the C. P. R. he could not reach his destination. The sale will be held on Thursday next, the 14th inst.

Excursionists. - On Wednesday afternoon our village was enlivened by a vi-it from a large number of excursionists-Foresters and Sons of Englandwho came by rail from Ballieboro' to Lindsay, and thence by the steamer Alice Ethel to the Falls. They were yeomen and yeomanesses chiefly, and among them were some fine specimens of manhood and a lot of pretty girls; but bringing pretty girls to Fenelon Falls is, to use an old saying, like "bringing coals to Newcastle."

In a Fix.—On Wednesday afternoon three village boys, who had gone down the river in a punt and were on land near Greene & Ellis's mill, heard some animal moaning on the opposite shore, and, crossing over, found a roan yearling heifer with its head caught between two logs that were lying side by side a few inches apart. The animal was so slowly away. It had a hole in its right another in the Scugog river, it was so ear, which is, we are told, the mark late when she reached Sturgeon Point young cattle.

CAPT. SWEENEY, U.S. A., San Diego, Cal., says: " Shiloh's Catarrh Remedy is the first medicine I have ever found that wouldldo me any good." Price 50 cents. Sold by W. T. Junkin.

THE CURFEW BELL.-By the last motion in the village council proceedings on Monday evening it will be seen that at the next meeting a by-law will be introduced to intstitute the curfew bell which will be rung every evening at a stated hour-say 8 in the winter and 9 during the summer-after which all children of a specified age will be liable to arrest if found on the streets unaccompanied by parents or guardians. The by-law, which is in accordance with an act of parliament, ought to have been passed long ago, as little boys, and sometimes little girls, are to be seen running around long after they ought to be not only at home but in bed also.

Fined - Two young fellows from different parts of the country, named respectively Graham and Wilson, came to the Falls last Friday, got drunk before night and-raised such a row on the front street, though they did not fight, that they were both arrested and put into the lock-up. Next morning Graham, who had become fairly sober, was taken before Mr. Dickson, who fined him \$1 and costs, \$3.75 more. Wilson, who had had some liquor secreted in his clothes, was drunker than when put into the "cooler," and was accordingly left there until the afternoon, when he, too had an interview with Mr. Dickson, and was sentenced to pay a fine of \$1.00 and costs, which in his case amounted to \$8.00, as there were several witnesses.

SHILOH'S CURE is sold on a guarantee. It cures incipient consumption. It is the hest cough cure. Only one cent a dose ; 25 cents, 56 cents and \$1 per bottle. Sold by W. T. Junkin.

THE PULP MILL. The statement in last week's Gazette that the pulp mill would resume operations on Monday was made on the strength of a communication from the G. T. R. Co., from which it was inferred that the chemicals would be here by the end of the week; but a second communication (of the receipt of which we were not aware) stated that the expected arrangement with the strikers in the coal regions had not been arrived at .. The temporary closure of the mill was taken advantage of to build two new furnaces and put a new roof on the liquor room, and up to Saturday all the hands were kept busy; but we are sorry to learn that some of them are now idle, though it will probably not be for long.

Daniel Ritz, proprietor and publisher of the Hamburg, Ont., Independent, says : " I was suffering from dyspepsia and liver trouble. I took a few bottles of Shiloh's Vitalizer and it cured me. I can heartily recommend it."

GONE: TO GRASS .- Last Saturday forenoon no fewer than twenty-two teams of fine large horses owned by Howrs & Sons passed through the village on their way to Rosedale, where the firm's alligator tug, the " Hamilton H," towed them over on a scow, six horses at a time, to Grand Island, and they were turned out to grass after their hind shoes had all been taken off. They worked last winter in the Hazlitt timber limits in the county of Peterborough, purchased some time ago by the Howrys. and passed Friday night at Bebeaygeon. A man has been hired to stay all summer on the island, look after the horses and report if any of them die or meet with accidents.

MISINFORMED -We were, it appears. misin formed as to Mr. Clarke Wallace having a cigar in his mouth when he invited the young lady with whom he was not acquainted to accompany the Orangemen to Lindsay, and also as to Mr. E. F. Clarke having been elected Grand Sovereign in place of Mr. Wallace. The first mentioned piece of information was imparted to us by a villager and the second by somebody wearing Orange colors; but we afterwards learned that they were both mistaken.

DISAPPOINTED -There was to have been a Y. P. C. E. excursion from Valexhausted that it fell down when the Centia to Fenelon Falls by the Columbian bays liberated it by moving one of the on Monday last, but, owing to a detenlogs, but it soon got up again and walked | tion of the steamer from some cause or | that Mr. Robert Graham puts on his that she didnot come any further. From about noon until nearly four o'clock VILLAGE OF FENELON FALLS quite a number of our villagers were at | will be held in the Council Chamber in the landing waiting the arrival of the excursionists, but they were disappointed, as were also such of the intending visitors as had never seen the Falls, or, having seen it once, were naturally anxious to see it again ...
