## Powles's Corners.

Correspondence of the Gazette.

The many old friends of the Rev. F. McAmmond were glad to see him back again and to hear his familiar voice once more in the pulpit. A much larger congregation would have been present had they known the reverend gentlemen was to be there.

John Brown is dead, and the last words he said were: "I will give you three days' notice to come with a pick and shovel, and if you don't you will know the consequences."

**DENTAL.**—Dr. Neelands, dentist, will be at the McArthur House on Tuesday, June 19th. Call in the forenoon, if possible, as he can only remain one day.

**CAPT. SWEENEY, U.S.A., San Diego, Cal.,** says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50 cents. Sold by W. T. Junkin.

**NOTICE.**—A meeting of the congregation of St. James's Church will be held at the Rectory on Friday evening, the 15th inst., at 8 o'clock, to arrange for a garden party to be held in the immediate future. All members invited. It is proposed to hold the garden party on Monday, the 2nd of July.

**THE FIRST OF THE SEASON.**—The Fenelon Falls True Blues have issued posters announcing a moonlight excursion to Bobcaygeon on the evening of Friday next, the 22nd inst. The steamer *Columbiana* will leave Smith's landing at 7:30 p.m., and will return to the Falls at a reasonable hour. Fare: adults 25 cents; children 15 cents.

**SHILOH'S CURE** is sold on a guarantee. It cures incipient consumption. It is the best cough cure. Only one cent a dose; 25 cents, 50 cents and \$1 per bottle. Sold by W. T. Junkin.

**THE CARTOON.**—We call attention to Mr. H. M. Russell's excellent cartoon on our eighth page, which is prophetic of the result of the coming election; but it is to be regretted that "Sr. Oliver," instead of being put to the trouble of getting a fresh lease every four years, cannot be given one to last during life or good behavior, which in his case are "convertible terms."

**S. S. CONVENTION.**—The eighteenth annual Presbyterian Sabbath School Convention will be held in the Presbyterian church in Glenora on Monday, June 25th, 1894. The programme offers an excellent list of subjects for Sabbath School workers and a large attendance is desired. Mr. J. C. Gilchrist, Woodville, is Secretary, to whom all communications should be addressed.

Daniel Ritz, proprietor and publisher of the *Hamburg, Ont., Independent*, says: "I was suffering from dyspepsia and liver trouble. I took a few bottles of Shiloh's Vitalizer and it cured me. I can heartily recommend it."

**NOT A CULL.**—Although the pulp mill had to be shut down about three weeks ago owing to the non-arrival of chemicals, the Pulp Mill Co.'s sawmill has been running steadily, and amongst its products are railway ties, the excellent quality of which may be inferred from the fact that Mr. Burgoyne sold 45% of them to the G. T. R. Co., and that not even the odd one was rejected as a cull.

**THE PULP MILL.**—The chemicals for the pulp mill arrived last week, and work would have been resumed before this but for the repairs that were commenced and had not been completed. On Monday next, however, if nothing happens in the meantime, every man will be at his post, the big engine will be propelling the machinery, and a pillar of smoke will be ascending, as usual, from the top of the chimney.

**FARMERS** wanting repairs for their Rakes, Reapers, Mowers, Binders or other agricultural implements, should leave their orders at once at Thomas Robson's office, corner of Colborne and Francis streets, and not wait until a few days before the repairs are needed.—16-2w.

**WALSH VS JACKETT.**—Mr. Jackett's appeal against Col. Deacon's award in the now celebrated fence-smashing case was tried at the county court at Lindsay on Tuesday last before Judge Dean, who reserved his decision, and, as far as we can learn, has not yet given it. Odds in favor of Mr. Walsh are freely offered by those who were present at the trial and have a sporting streak in their composition.

**"LUNGE" FISHING.**—The close season for maskinonge ends to-day (Friday) but bass cannot be legally caught until the 1st of July. Why the season for the last-named fish was altered no one appears to know; but those who are acquainted with the habits of bass complain that they can now be caught while they are spawning and are protected long after the spawning season is over. Our village fishermen are already polishing up their old "spoons" or buying new ones, and bright and early to-morrow a hundred of them (more or less) will be spinning and glittering in our local waters, weather and laws permitting.

**REAL ESTATE.**—Mr. Thos. Robson has purchased from the executors of the Smith estate the lot in rear of the one on which he resides, and his property now extends from Francis street east to Oak street, which runs through the Grove. Mr. James Dickson has bought from the Salvation Army, whose property adjoins his own, a strip twenty feet wide and extending the whole depth of his half-acre lot. His main object in making the purchase was to gain possession of part of the little spring creek which in its meanderings comes just inside his fence when there is a fair quantity of water, but in the middle of summer sometimes shrieks out of his reach.

**SPRING BARGAINS.**  
We have secured a large quantity of Boots and Shoes at a sacrifice. No matter how we got them—you can have them at less than wholesale prices.

## Land Speculators and Fees.

Referring to the Patrons of Industry, it is worthy of note that the *Farmers' Sun* expresses the opinion that the agitation for the election and payment by salaries of provincial officers in the counties "was started by land speculators," who wish thus to make other people pay for their transactions. It says: "They require the services of these officials most frequently—indeed, no man who does not buy or sell land requires the aid of a registrar—and it seems right that the registrar should be paid by the person who requires his service. To abolish the fee system and put a man on salary, as some propose, would be to call upon us all to aid in the payment of an official the services of whom 900 out of every 1000 never require. The *Sun's* view and all other views will no doubt be fully heard by the commission now taking evidence from every source on the entire question of appointment and payment of public officials, and we have no doubt that in this matter, as in all other questions that he has been called upon to settle, Sir Oliver Mowat will take good care that the public interests shall be conserved."

This will produce another shock to the Conservative party. It is dawning on some people that after all the Patrons are not going to allow the Tory party to make a cat's paw of them.—*Kingston Whig.*

## Anonymous and Inaccurate.

(From the *Toronto News, Conservative.*)  
An anonymous campaign sheet, called an "Eye Opener," has been very extensively circulated in Toronto. This sheet professes to show the respective sums given by the Mowat Government to Protestant (or public) charitable institutions and those controlled by the Roman Catholic Church.

According to the statements made, Protestant or public charities only receive a little over \$29,000 as against upwards of \$35,000 allowed those of the minority. This assertion is wholly inaccurate, as anyone can see by a reference to pages 245 to 248 of the public accounts for 1893. The inaccuracy consists in the first place in misstating the total of the Provincial grants for charitable purposes, these being placed at some \$65,000 when they are in reality nearly \$100,000 over that amount. In the second place a whole list of well known Protestant or public institutions are omitted from the statement altogether. Amongst those left out are the General Hospital, Toronto, to which the Province gives \$24,067, the Hospital for Sick Children, that is granted \$7,266, the Home for Incurables, Toronto, that is given \$5,651, and some forty other similar charities, the grants to which run from a few hundreds to over \$6,000 each.

It is surprising that any man would issue, even anonymously, statements the falsity of which can be so easily proven and the only effect of which must be to assist the Government that is subjected to such groundless attacks.

The loss by the Frazer river flood is estimated at \$4,000,000, and it is said 15,000 people are homeless.

The wife of Jacob Gaudaur, the champion oarsman, died suddenly at Orillia on Friday night. Mrs. Gaudaur was highly respected.

On Saturday morning burglars blew open the safe of T. J. Gould & Bros.' private bank at Uxbridge, Ont., and got away with \$4,000. No clue.
