Fire-swept Prairies.

NEBRASKA, DAKOTA AND OHIO VISITED BY FOREST FIRES.

NORTH PLATTE Neb., April 10.—A disastrous prairie fire broke out south of Sutherland, in this county, on Saturday. The loss will probably reach \$100,000. It is said the fire was started by a passing engine. Never has such a disastrous prairie fire devastated the Platte valley. Everything for a distance of 25 miles is in ruins. The fire started shortly before noon and swept everything before it, travelling at the rate of from 30 to 50 miles an hour and covering a tract three or four miles wide. Shortly after 12 o'clock it struck the city of North Platte. By almost superhuman efforts the town was saved. Farmers and ranchers will lose everything.

PORTSMOUTH, Ohio, April 10.—The residents of Nauvo, Union Mills and Friendship, of this county, lifted up prayers of thankfulness yesterday morning at 2 o'clock when a heavy April rain began to fall. For the past two weeks a very strong and dangerous forest fire has prevailed west of the Scioto river. The fire originated in the Washington township lumber region on Monday and has been gradually spreading. The path rendered desolate by the fire is sixteen miles long by four miles wide, and over \$50,000 worth of ties, hoops, tan bark and sawed timber has been burned. The largest individual loser by the fire is Frank J. Atkins, of Clarey's Run, who loses \$10,000 in cord wood and tan bark. On Saturday the hamlets of Union Mills and Friendship were surrounded by fire, but Saturday night's rain saved them. At present the fire is smouldering and another rain will quench it. The loss, roughly estimated, will exceed \$200,000 in timber, etc., that has been burned, not counting the score of farm buildings swept away.

OMAHA, Neb., April 10.—Despatches from Ozalala, Harrisburg, Dunning, Inverton, Kearney, Grand Island, Lexington and Hastings give accounts of great losses to property by prairie fires. A Burlington railroad bridge at Dunning and another at Hastings on the Elkhorn were destroyed. At Kearney the fire burned near enough to the town to destroy a brewery. At Dunning an old lady named Bartlett was fatally burned. The region burned over is the chief grazing section of the State.

SIoux FALLS, S. D., April 10.—Terrible prairie fires are razing near Chamberlaine and a large amount of stock perished. Two persons were burned to death. The people are excited and threaten to lynch whoever started the fires if they catch them.

The Newfoundland seal fishery is a total failure this season. The total catch is not expected to yield 90,000 seals, which is one-fourth of last year's catch.

The new Mormon temple at Salt Lake City, which has cost over \$5,000,000, was dedicated on Friday. The temple is 186 by 99 feet and covers an area of 21,850 square feet.

Looking for a Peerage.
SIR JOHN THOMPSON SAID TO BE GAZING TOWARD THE HOUSE OF LORDS.

TORONTO, April 8.—The local Conservatives are discussing a rumor, said to be well founded, that they will have to seek a new Dominion leader to fight under at the next general election. Sir John Thompson, it is said, is anxious to leave the arena of colonial politics, desires to become a peer and enter the Imperial field. He had this object in view when he was appointed to the Behring Sea Arbitration, and this is given as the reason for his leaving the House in the middle of the session. A member of the Albany Club said yesterday:—

"The Judicial Committee of the House of Lords is the highest court in the land. There are numerous Canadian cases argued before it every year. There is no colonial representative on it. The salary is £5,000 or \$25,000 a year. If Sir John Thompson can get a British peerage with the object of getting on that, it is the height of his present ambition. And you can make up your mind he as good as has it, for the Behring Sea Arbitration is the first step towards the desired end."

The Clan-na Gael.
THE UNITED BROTHERHOOD RESOLVES TO DISBAND AND QUIT BUSINESS.

NEW YORK, April 10.—The U. B. "United Brotherhood," the second name of which the wing or section of the Clan-na Gael, controlled by John Devoy, is known, has because of internal dissensions, and in view of Mr. Gladstone's Home Rule bill, resolved to disband as a secret Irish revolutionary body and cast its lot with the movement, constitutional under British laws, of the National Irish federation. This was determined upon at a recent meeting of the executive body presided over by John Devoy in Plulada. The causes of disunion are: That the Devoy, it is alleged, allowed a man known to be in the employment of Scotland Yard, although a member of a home-Clan-na Gael camp to be present at a secret convention of the U. B. held in New York last August, and that Luke Dillon, Captain O'Meagher, Condon and other members of the executive committee plunged the Brotherhood in debt in the endeavor to hunt down the murderers of Dr. Cronin by the employment of Pinkerton detectives.

No More Drink.
TO BE SOLD IN SOUTH CAROLINA, EXCEPT BY THE PATERNAL GOVERNMENT.

CHARLESTON, S. C., April 8.—There will be no liquor or beer sold in South Carolina, except by the state, after July 1st. Four of the most eminent legal firms in the state yesterday decided the matter. Soon after the passage of the law at the last session of the Legislature, the liquor dealers of the state formed an association and employed counsel to test its constitutionality. These counsel yesterday filed their opinion. They advise the liquor dealers to prepare to meet the law as valid and constitutional on and after July 1st, and that, in view of the heavy penalty prescribed, they cannot advise them to continue selling liquor after July 1st, but, on the contrary, advise them to comply with the statute until it has been declared invalid. To test the constitutionality of the statute in point of Federal prohibition of discrimination, the council advise that proper proceedings be taken. In the meantime the Governor and state dispenser are traveling in the west and north, making arrangements to open the state bar-rooms on July 1st.

Friday was the twenty-fifth anniversary of the murder of Thomas D'Arcy McGee.

A Chicago despatch says there is no prospect of any supply of pure lake water at the World's Fair grounds before the middle of June.

An ærolite fell near Ossawatimie, Kan., on the afternoon of April 9th, striking the monument of John Brown, or "Ossawatimie Brown," as he was sometimes called, erected to him by private subscription originated by Horace Greeley in 1863. The meteor broke off the left arm of the statue and passed through the dome and nave in a slightly south-easterly direction, and through six feet of clay just south east of the crypt, stopping only at the rock bed. Experts say the ærolite is composed of platinum metal, only known to exist in the sun.
