

## A WARKWORTH MIRACLE.

The Happy Termination of Years of Suffering.

Mr. R. Crouter Relates an Experience of Great Value to Others—Life was Becoming a Burden When Relief Came—A Druggist Expresses His Opinion.

Warkworth Journal.

Not long ago a representative of the Journal while in conversation with Mr. N. Empey, druggist, drifted upon a topic which appears to be of general interest not only to this locality, but throughout the country, we refer to the wonderful cures through the use of Dr. Williams' Pink Pills for Pale People. Newspaper men are not possessed of more curiosity than other people, but they have a feeling that instinctively leads them to investigation, and in the course of our conversation we asked Mr. Empey whether he thought the sales of Dr. Williams' Pink Pills are really as large as claimed for them. The answer was that judging from his own sales he was well assured that Pink Pills are the most valuable, the most reliable and the most successful proprietary medicine extant. In answer to the query as to whether there were any note-worthy cures in this vicinity, Mr. Empey promptly responded, "Yes; many people have been greatly benefited by the use of Pink Pills, and I know of one case in particular worthy of being recorded. The case to which I refer," continued Mr. Empey, "is that of Mr. Crouter, brother of Rev. Darius Crouter, who some years ago represented East Northumberland in the House of Commons. Mr. Crouter was suffering from nervous affection and the after effects of the grippe. He had not been able to do anything for two years, was unable to eat as he could not hold a knife or fork in his half paralyzed hands. He suffered greatly from cramps in his arms and legs, and had a continual feeling of coldness. One day Mr. Crouter made enquiry concerning Dr. Williams' Pink Pills, and I advised him to try them, and the result is that he has entirely recovered his health."

Having heard this much the Journal determined to interview Mr. Crouter, and get from his own lips the full particulars of his illness and remarkable recovery. We found Mr. Crouter at his home in the best of health, and enjoying an evening smoke after a day's toil in the woods. When informed of the object of our visit, Mr. Crouter said he was glad to bear testimony to the wonderful value of Dr. Williams' Pink Pills as a remedial agency. "The original cause of my trouble," said Mr. Crouter, "I date back a good many years. When I was 19 years old I drank a glass of cold water when overheated which proved a most injudicious act on my part. I was sick for thirteen months and unable to work, and since that time until recently, I have never had what you could call a well day. Two years ago I had an attack of the grippe which nearly cost me my life. My legs and feet were continually cold and cramped, and I could get little or no sleep at night. It was impossible for me to eat with a knife or fork and I was forced to eat with a spoon, and you can understand what a burden life was to me. One day I read in the Journal of a remarkable cure by the use of Dr. Williams' Pink Pills and I made up my mind to give them a trial. I sent to Mr. Empey's for a supply and before the first box was entirely gone I could notice that they were helping me, so you may be sure I continued their use. When I began using the Pink Pills there was such a numbness in my feet that I could not feel the floor when I stepped on it. As I continued to use the pills this numbness disappeared; the feeling returned to my limbs, the cramps left me, I felt as though new blood were coursing through my veins, and I can now go to bed and sleep soundly all night. I have taken just twelve boxes of Pink Pills and I consider them the cheapest doctor's bill I ever paid. When I get up in the morning instead of feeling tired and depressed, I feel thoroughly refreshed and all this wonderful change is due to Dr. Williams' Pink Pills. Although I am 71 years old I can go into the woods and a hard day's chopping without feeling the least bad effects. I have now so much confidence in Dr. Williams' Pink Pills, that I intend shortly beginning their use again, this time as a spring medicine, for I believe they have no equal for building up the blood and I strongly recommend them to all sufferers, or to any who wish to fortify the system against disease."

Mr. Crouter has lived in this vicinity for forty-five years, and is well-known as an upright, honorable gentleman, whose statements can be fully depended on in every particular.

Dr. Williams' Pink Pills for Pale People are a never-failing blood builder and nerve restorer, curing partial paralysis, locomotor ataxia, St. Vitus' dance, rheumatism, neuralgia, the after effects of la grippe, influenza and severe colds, nervous headache, nervous prostration and the tired feeling arising therefrom. These pills are a specific for all diseases arising from humors in the blood, such as scrofula, chronic erysipelas, etc. As a remedy for building up the blood, enabling the system to successfully resist disease, Dr. Williams' Pink Pills stand far in advance of any other remedy known to medical science. Pink Pills are a specific for the troubles peculiar to the female system, giving a rosy, healthy glow to pale or sallow complexions. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark (printed in red ink) and wrapper, at 40 cts. a box or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also cautioned against all other so-called blood builders and nerve tonics, no matter what name may be given them. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

**Application in Plenty.**  
"This is the fourth time you have applied for an office," said the candidate's friend.

## What he Called a Matter of Birth.

He had just returned from a trans-Atlantic voyage and he let all the car know it. "Yes," he said, pompously, to the old gentleman with the silk hat and the gray side whiskers, who sat opposite, "we had a most eventful trip: there was a marriage on board, two deaths and—"  
"Any births?" interrogated the old gentleman with a twinkle in his eye.  
"No—or—no births," answered the other, in a manner which implied that they could have had one or two if they had so desired.

"Dear me! that's very strange!" exclaimed he of the gray side whiskers, rising as the car slowed up at Adelaide street.  
"What is strange?"  
"Why, no births. I have crossed forty-three times, and there have always been a number of births on board."

The pompous note in the new-fledged traveler's voice gave place to a tinge of reverence as the other mentioned the figures, but he asked:  
"Well, what do you call a number of births? Two, three, four, or—"  
"No, indeed. Why, the last time I crossed there were over five hundred, and—"

"What, babies?"  
"Babies? No, births, sleeping births. Here's my street. Good-bye."  
A titter ran around the car as the silk hat got off, and the young man became suddenly interested in the morning paper.

## Fakes for Farmers.

A plausible scamp going through the country makes a contract with each farmer for his wheat, agreeing to pay \$1.00 a bushel delivered at the nearest station whenever he desires it. In order to bind the contract he pays a small sum down and agrees to pay the remainder when the wheat is delivered. He only approaches those who have large quantities. He gets the contracts and will hold them, never calling for the wheat, but will worry the farmer into giving him a nice little sum to "release the contract."

Another kind of fakir has appeared near Campbellford. Accompanied by a man who is represented as a money lender, he visited a farm, informed the tenant that he had purchased the property, and proceeded to sell all the wood on the place to neighbors, accepting their notes therefor, which were cashed by the alleged money lender. Now the people who had bought the wood have been warned not to trespass on the farm as the property was not sold at all, and the gullied ones are meeting their notes like little men.

Men are going through Ontario selling what they call a chemical compound to save coal. They charge 25 cents for about two pounds of it, but if you will taste their chemical compound you will find that you can buy it for about 1 cent a pound. It may be red, blue or any of the various colors, but it is never the less nothing but common salt. If you doubt that salt will save your coal, it will cost you little to try. Throw a little dry salt on your coal fire and mark the result. A better way is to dissolve about 5 lbs of salt to twenty gallons of water and throw the water on your coal.

Offers are being made through the mail to forward to any post office in Canada or the United States for the small sums of \$1 a beautiful steel plate copy of the landing of Columbus. The engraving when received will be found to be the 2 cent American postage stamp, which is 2 inches by 1 1/2 inch. It is always more satisfactory to hold possession of the cash till the purchased article has been subjected to examination for approval.

Several of the farmers of some of the surrounding townships, says the *Stouffville Tribune*, have recently had their sympathies imposed upon by a tall stranger about 70 years of age, grey short side whiskers, and very polished manners. He gave the name Jas. Thompson, from beyond Peterboro', and had been at Toronto, where he was robbed of \$125 in a hotel. At a house on the 10th of Markham he was given \$5, to take him home and promised to return the money. He simily obtained another five on the 5th of Chichester but failed to secure anything on the 2nd con. of Uxbridge. The money has not been returned and perhaps will not be.

Mrs. Mary E. O'Fallon

of Piqua, O., says the Physicians are Astonished, and look at her like one

## Raised from the Dead

Long and Terrible Illness from Blood Poisoning

Completely Cured by Hood's Sarsaparilla.

Mrs. Mary E. O'Fallon, a very intelligent lady of Piqua, Ohio, was poisoned while assisting physicians at an autopsy 5 years ago, and soon terrible ulcers broke out on her head, arms, tongue and throat. Her hair all came out. She weighed but 78 lbs., and saw no prospect of help. At last she began to take Hood's Sarsaparilla and at once improved; could soon get out of bed and walk. She says: "I became perfectly cured by Hood's Sarsaparilla

and am now a well woman. I weigh 128 lbs., eat well and do the work for a large family. My case seems a wonderful recovery and physicians look at me in astonishment, as almost like one raised from the dead."

HOOD'S PILLS should be in every family medicine chest.

Let's reason together. Here's a firm, one of the largest the country over, the world over, it has grown step by step, through the years to greatness—and it sells patent medicines!—ugh!  
"That's enough!"  
"Wait a little—"

This firm pays the newspapers good money (expensive work, this advertising!) to tell the people that they have faith in what they sell, so much faith if they can't benefit or cure they don't want your money. Their guarantee is not indefinite and relative, but definite and absolute—if the medicine doesn't help, your money is "on call."

Suppose every sick man and every feeble woman tried these medicines and found them worthless, who would be the loser, you or they?

The medicines are Dr. Pierce's "Golden Medical Discovery," for blood diseases, and his "Favorite Prescription," for woman's peculiar ills. If they help toward health, they cost \$1.00 a bottle each! If they don't, they cost nothing!

There is a tooth of Buddha, preserved and worshipped in an East Indian temple, which probably all the gold in the world could not buy.

Dr. Harvey's Southern Red Pine for coughs and colds is the most reliable and perfect cough medicine in the market. For sale everywhere.

Two-thirds of the total number of children under ten years of age in the United Kingdom are insured in one form or another.

GIBBONS' TOOTHACHE GUM acts as a temporary filling, and stops toothache instantly. Sold by druggists.
