FOOTBALL.—The Zion Methodist Sunday School held their annual tea on Monday, 26th inst., at the church, the principal attractions being a couple of football matches. The first was between Zion and Balsam Grove, which resulted in a victory for Balsam Grove, after 50 minutes play, by a score of 1 to 0. The second, between Zion and Fenelon Falls, in which Fenelon Falls was victorious by a score of 2 to 0 after half an hour's play, both goals being scored by Thos. Edwards. The Fenelon team was as follows: R. Taggart, goal; J. Robson and N. Corbett, backs; A. Northey, L. Manning and J. Clark, half-backs; T. Edwards and D. Twomey, right; R. DeLury, (captain), and R. Corbett, left; W. T. Junkin, centre.

DECLINED WITH THANKS.—In consequence of the paragraph in last week's *Gazette*, Rev. Robert Johnston, the Presbyterian clergyman at Lindsay, wrote to Mr. Peter Deyman enquiring what loss he had sustained by the raid upon his restaurant by the crowd from Lindsay on the evening of the 20th, and offering to compensate him therefor. Mr. Deyman declined the offer with many thanks, stating that he could not say he had suffered any loss, as his unruly customers possibly left as much money as would pay the actual cost of what they had; but that it was rather hard to be hustled around his own premises and kept on the keen jump waiting on nearly a hundred people, so many of whom neglected to pay that the "rush of business" did not bring him any profit.

A Daring Express Robbery.

St. Joseph, Mo., June 23.—When the Rock Island westbound, which left at 7.45 last night, reached Virginia, Neb., a man stepped up to the door of the express car and asked United States Express Messenger Spear if a man named Tompkins was in the car. Spear said he was not, and the man asked to be allowed to step into the car and write a note to Tompkins. Spear consented. When the train began to move out Spear looked to see what had become of the stranger and looked into the muzzle of a revolver in the stranger's hand. Keeping the revolver levelled with one hand, the stranger with the other threw a rope around Spear's neck and then bound him hand and foot. Searching the messenger he found the key to the small safe, which he opened and secured \$350. When the train slowed up at the Union Pacific crossing the robber escaped. The robbery was not discovered until Beatrice was reached, when Spear was found bound just as the robber had left him.

A carriage containing two women and three children was struck by a train at a crossing near Newark, N. J. All were instantly killed except one, who lived only a few hours.

A Bangor man has invented a broom that can be adjusted to any angle so that the nooks can be swept without dislocating the operator's back. It should be accompanied, in order to be practical, by an adjustable telescope, for there are many neat housewives who will insist on looking into those crannies to be sure every speck of dirt is removed.

The fishery inspector appointed by the Ontario Government for Prince Edward Island caught two women hauling a net, and when he attempted to take it from him by force they cut the net to pieces with a knife. A local magistrate, appealed to, replied there was no law against women fishing. The inspector intends to carry the case farther.

A terrible explosion of glycerine occurred on June 23rd near Guffey Station. Andy Muldoon, an oil well shooter, was on his way to Guffey to shoot an oil well. He had 200 quarts of glycerine in his waggon, and while coming down a steep hill into Guffey Station, a wheel struck a large stone and the waggon was overturned. Nothing was found of Muldoon and the horses but a few small pieces of flesh scattered through the woods.

A disastrous hail storm broke over Oakville on Sunday afternoon, destroying almost the entire fruit crop within a radius of six miles.
