Correspondence of the Gazette.

The Rev. C. L. Thompson of Omeme occupied the pulpit here last Sunday, and preached an able and impressive missionary sermon to a large congregation. The reverend gentleman ranks very high amongst the Methodist clergy of Canada.

A sleigh-load of nineteen young people from here drove up to Cameron and invaded the residence of Mr. Alex. Henry, to do honor to the newly married couple.

The gentleman who got the barn built for him last year at Ball Point still receives weekly calls from a young gent at the Falls. Wedding bells will soon be ringing.

THE NEW WARDEN.—The county council commenced the first session of the year on Tuesday afternoon, and the genial reeve of Bobcaygeon, Capt. Botum, was elected warden for 1894. We congratulate our old friend on his elevation to a position he will so worthily fill.

POOR HONORS.—Miss Annie Ellis, third daughter of Mr. John A. Ellis, went to the Normal School at Ottawa last August, after teaching eighteen months at Moyne's, and at the Christ-mas examinations was one of the three

out of sixty who took honors. She is now engaged as teacher in one of the departments of the Model School at Toronto. We congratulate the young lady and her relatives upon her success.

Now is the time to get bargains in millinery, dress trimmings etc., at Mrs. R. McDougall's thirty days sale. Prices away down.

GUN ACCIDENT.—Last Monday evening Mr. Wm. Marsh, a young married farmer of the township of Fenelon, had a narrow escape from very serious injury while trying to put a cartridge into his breech-loading gun. From some reason the cartridge would not enter the barrel, and while he was working at it with his jack-knife it suddenly exploded.

Which way the shot went is not known, but the knife was blown into a dozen pieces, one of which—the blade, probably—cut a deep gash in the thickest part of his left hand below the little finger, another raised a lump as big as a hen's egg above his left eye, and a third struck him so violently near the left nostril that two of his upper teeth were knocked out. Accompanied by a friend he came to Fenelon Falls, where his injuries were attended to by Dr. Graham.

CURLING.—Monday last was a big day in Lindsay for curling, matches being played in the Russell street rink between six clubs of this district, with the result that in the forenoon Orillia beat Bobcaygeon by 8, in the afternoon Lindsay beat Fenelon Falls by 46, and in the evening Orillia beat Lindsay by 5. Orillia will, therefore, go to Toronto next month to compete with other clubs victorious in local contests for the Ontario Curling Association's tankard, which was won last year by Bobcaygeon.

The Dryden tankard, which is competed for by Midland district clubs only, was won in 1892 by Lindsay, and last year by Peterborough, where it now is, and where the fight for it will come off before long. The first time the Lindsay club played a foreign match they were beaten by 60—a far worse defeat than Fenelon Falls suffered on Monday.

Hooper has been found not guilty.

CORRESPONDENCE.

Clemence's Camp, Muskoka.

To the Editor of the Fenelon Falls Gazette.

Sir,—On Friday, Jan. 12th, a fatal accident occurred at Slater's dump, about two miles from Fraserburg, by which a young man named Samuel Thompson, of Uffington, belonging to McNeish's camp, lost his life. It seems that he and his brother and another man were working on the dump, when it commenced to settle in the river. The unfortunate man lost his footing and fell, when a large log, rolling, struck him on the head, crushing it and killing him instantly. The young man was a little over twenty years of age. Only two nights before the accident he dreamed that he was killed on that same dump, as he told his companions. The funeral took place on Sunday at Uffington, and was largely attended, the church being crowded, and some twenty-seven teams were in the procession.

The Muskoka Mill & Lumber Company's logs, which we are drawing, are going out lively, and in a couple of weeks or so they will be all out; but the "boss" has contracted with Mickle, Diamant & Son for the drawing of 275,000 of pine, which will keep our little gang going until some time in the long month of March.
