

is near Mr. Abbott's, at Sandy Point, in Verulam, on Wednesday, Oct. 3rd, a large quantity of farm stock and implements, household furniture, etc. Sale to commence at 1 o'clock. For particulars see posters.

**METHODIST CHURCH NOTES.**—The Harvest Home Anniversary will be held this year on Oct. 14th and 15th.....A report from the C. E. rally held at Paris will be given next Sabbath evening.....Rev. R. E. Finlay, who has supplied during the summer very acceptably, returns to Victoria College, Toronto, next week.

**SALE OF A TIMBER LIMIT.**—A few days ago Mr. Benjamin Burtchell, of Somerville, sold to Messrs. T. H. DeCew & Son, of Fenelon Falls, the whole of the timber on 1,400 acres of land near the village of Cobocook for the sum of \$4,500. The purchasers have already built a shanty on the limit and will employ about forty men getting out the timber.

**SCHOOL REPORT.**—Following are the results of the weekly examination of the senior 4th class. Subject history; marks obtainable, 100: B. Austin 84, R. Austin 49, C. Bellingham 86, M. Heard 64, F. Graham 32, R. McDougall 64, N. Martin 39, E. Nevison 54, J. O'Leary 27, C. McFarland 22, L. Puley 54, A. Robson 29, A. Wilson 51, G. Wilson 58, C. Puley 52.

**A POSTAL BOX WANTED.**—Two or three days ago a resident of the village was complaining to us that there was no postal box at the railway station, where it is customary to have them in many places he had visited. A box at that point, into which stamped letters could be dropped, would certainly be a great convenience in many ways, and we hope to be able to report that one has been placed there before long.

**AN OUTRAGE AT HALIBURTON.**—The Bobcaygeon Independent says: "There was a most dastardly and cowardly affair in Harburn last week. A hay rake and other machines were taken out of a resident's barn during the night, drawn some distance away from the house, and then fence rails were laid over the machines and the whole heap set on fire. They were all destroyed completely. It is understood that the Attorney-General will put a provincial detective on the case."

**Dr. T. P. McCullough,** eye, ear, nose and throat specialist, of Peterborough, will be at the Simpson House, Lindsay, for consultations, on the first Wednesday in October.

**GOOD SPORT.**—Before daybreak on Monday last Mr. Thomas Sadler Jr. left the Falls in his canoe for the "drowned land" opposite Blythe, and returned some hours later with 14 out of the 22 ducks he brought down with the Winchester repeating shot-gun he bought at Mr. Heard's some time ago. Mr. Sadler is one of our keenest and most successful sportsmen; and when he is "the man behind the gun," the duck he aims at must be a long way off, or must dodge pretty quickly, to escape grievous bodily harm.

**A YACHT BURNED.**—The little steam yacht Lulu, sold by Mr. John Jones to Mr. Washington Northey, was destroyed by fire last Monday night, together with the boat-house in which she was kept, and which was located just above the entrance to the canal. The boat returned at about 8.15 from a trip on Cameron lake, and when she was run in the fire was carefully extinguished, but it is thought that a spark from the funnel must have caught in the roof of the house, from which the flames burst just an hour later. There was no insurance, and Mr. Northey's loss was about \$100.

**RECEPTION TO COL. SAM.**—We have received a hand-bill from the Watchman-Warder office announcing that a grand military reception will be tendered Lieutenant-Colonel Hughes on his return from South Africa on Wednesday, October 3rd, by the 45th Victoria Regiment and residents of Victoria county. Col. Sam will arrive in Lindsay on th 10.40 a. m. train from Toronto, and all are invited to take part in the reception. Single fare tickets from Cobocook, Haliburton, Lorneville, Blackwater, Peterborough and intermediate points will be issued, and the Haliburton train will be held until 5 o'clock. Won't Sam feel proud? And isn't it a pity that he couldn't preserve his bruise and his mark and exhibit them as proofs of the dangers he has gone through?

**DIED AT THE HOSPITAL.**—The Peterborough Times of Tuesday last says: "On Wednesday last Mr. George Miles, of Lindsay, was admitted to the Nicholls Hospital, suffering from typhoid fever. He was very ill when he arrived here, and gradually sank until Sunday, when he passed away. Deceased was an engineer in the employ of the Trent Valley Navigation Co., and when taken ill was on the steamer Manita plying between Bridgenorth and Bobcaygeon. He was about 35 years of age and was married, his wife, mother and other relatives residing in Lindsay.

The remains were taken to Lindsay yesterday, where interment will take place under the auspices of the Canadian Order of Foresters, of which the deceased was an esteemed member."

**MORE ELECTRICITY.**—Mr. F. Sandford has purchased a dynamo (which will arrive this week) sufficiently powerful to supply the 150 lights required in his different factories and in his and his son's dwelling-houses. During the daytime the dynamo will run Mr. Sandford's elevator, and posts to carry a wire to the elevator, which is near the railway station, are now being erected. We congratulate "Bob," Mr. Sandford's 24-years-old horse, upon his happy release from that part of his labor. By the substitution of electricity for horse power, a quantity of grain that could not formerly be loaded upon a car in less than two hours and a half can now be loaded in one hour. Mr. Sandford's screen door business is booming. He has just closed a deal with a company of manufacturer's agents in Montreal, and has set three extra hands to work this week.

#### Slater Shoe Leathers

The output of "Slater Shoes" is so large that the makers are able to control their own tannage in most leathers.

"Canuck Calf," made from the best selected calfskins, in black, light and medium tan and seal brown.

"Kidduck" in black and seal brown, from selected Patna goatskins. Both leathers are wear and water resisting, porous and therefore sanitary. There are also "Best French Patent," "French Enamel," "Peerties Russia" and "American Wax Calf."

Slater Shoe Polish only should be used on these leathers, retains their elasticity and keeps them soft.

The sole leather is the best obtainable, and on every sole is the makers' name and price in a slate frame, when the finished shoe has passed its rigorous examination. Catalogue.

Sold by J. L. ARNOLD, Fenelon Falls.
