

**PROJECTED NEW INDUSTRY.**—Just before going to press we learned that our enterprising townsman, Mr. W. H. Church, had been busy for some days past organizing a joint stock company, with a capital of \$10,000, to equip and operate a wooden-ware factory at the Falls. He has our most earnest wishes for his success, of which there is but little doubt, as about half the required amount of stock has already been subscribed. We will give further particulars, if there should be any, in next week's issue.

**LINDSAY WON BY ONE.**—About 7.30 on Tuesday evening a special train, with over a hundred on board, left here for Lindsay, where a hockey match was played between the fastest team that town could put on the ice and the boys from the Falls. It was a fast, hotly contested game, but in one respect was not satisfactory, as there were only six players on each side, instead of seven. Alvin Gould, the goal keeper of the Fenelon Falls team, was on his way from Midland, but his train was so impeded by snowdrifts that it did not reach Lindsay until nearly ten o'clock, about two hours behind time, and his valuable services had to be dispensed with, and one of the Lindsay players left the ice to make things even. Gould's position was taken by Burgess, who is a good goal keeper, but he was out of practice in that position. At half time the score stood, Lindsay 5, Fenelon Falls 3, and at the close it was Lindsay 8, Fenelon Falls 7. About fifteen minutes before the end of the game each side had six goals to its credit, and after that the play was fast and furious, but there was no rough work at any time in the game, and our boys speak highly of the treatment they received. Dr. F. J. Aldous, the referee, gave general satisfaction. The Norwood team plays a T. V. League game here tonight; and the Lindsayites will play their return game here on Tuesday of next week. Then see what'll happen to them.

**When the Baby Cries at night** there is a cause for it. Perhaps it is gas on the stomach, maybe cramps or diarrhoea. Don't lose sleep, anticipate such contingencies by always keeping handy a bottle of Polson's Nerviline. Just a few drops in water given inwardly, then rub the little one's stomach with a small quantity of Nerviline, and perfect rest is assured for the night for both mother and baby. You may not need Nerviline often, but when you do need it you need it badly. Get a bottle to-day. Sold by W. H. Robson.
