

It will soon be ready for the "bird."
The post-master here has worked hard to clear his garden of small stones; but some of the boys who gather at the corner to practise football, and who appear to be possessed of an evil spirit, use the stones to pelt the telephone wire, and of course many of the stones fall back into the garden. Sure as the sun rises in the east, some of the boys will get into trouble, as the P. M. intends to report them to the telephone company at Hamilton.

Mrs. Leslie Archer, of Randolph, will return home this week, after enjoying a fortnight's visit to her parents, Mr. and Mrs. Thomas Daniels.
Mr. and Mrs. H. Wager, of the township of Camden, arrived last Tuesday, and will spend a week or two visiting relatives here.

Fell's Station.

(Correspondence of the Gazette)

Misses Katie and Lizzie Hughes returned to Toronto on Monday last, after enjoying a month's holiday at their home (Green Mountain Home.)

Mr. C. H. Moise, of Toronto, called on his sister, Mrs. Wm. Mitchell, Fair View, on Tuesday of last week, and returned home the same day.

Our annual day school picnic was held on Thursday, June 26th, in Mr. John Fell's pine grove near the Lake View house. Fell's school was joined by Lamb's school, Bury's Green, making it one of the most successful picnics of the season, in spite of the bad weather. The afternoon was spent in different amusements; little boys' and girls' races, young ladies' and married ladies' races, and also a sack race. Quite a number of prizes were won, Miss Annie Hughes winning the best prize offered, a silver pickle cruet. There was an interesting baseball game played to finish up on.

GARDEN PARTY.—The annual garden party of St. James' church will be held on the Rectory grounds on Tuesday evening, the 15th inst. Watch for posters.

COUNCIL MEETING.—The village council met on Wednesday evening to pass the early closing by-law, and a few small accounts. The proceedings will be published in detail in next week's Gazette.

NOTICE.—We are requested to give notice that the members of L. O. J. No. 996 will meet at their Lodge room next Sunday evening, at 6:30 sharp, and march to St. James's church, where an appropriate sermon will be preached by Rev. R. Macnamara, the incumbent.

They Take Weeks.

Ordinary remedies sometimes take weeks to even relieve cases that Catarrh disease cures at once. Inhale Catarrh disease five minutes now and again and it cures a cold. Inhale Catarrh disease five minutes four times a day and it cures stubborn coughs. Inhale Catarrh disease five minutes every hour and we guarantee it will cure any case of Catarrh, Bronchitis, Asthma, Lung or Throat Trouble, Deafness. It is very pleasant and convenient to use, quick to relieve, and certain as the hereafter to cure. Large size, complete, \$1; small size 25c. Druggists or Polson & Co., Kingston, Ont. Sold by W. H. Robson.

A GOOD LECTURE.—An interesting lecture on the War in South Africa was delivered in Lamb's school-house by the Rev. R. Macnamara on Friday evening last. A programme by local and Fenelon Falls talent preceded the lecture, which was well attended and well received.

ACCIDENT.—On Friday last Mr. Henry Smith had the palm of his right hand badly lacerated by the jagged end of a slab which he was throwing into the furnace at the Chemical Works, but the other end of which struck the frame of the furnace door. He had the torn flesh dressed by Dr. Gould, and several more days will elapse before he will be able to go to work.

The Penalty of a Fast Life.
Is paid for by an irritable condition of body and mind, by exhausted energy, poor digestion, unstrung nerves and broken sleep. If you must and will live the killing pace, better keep in mind the sustaining powers of Ferrozone, a wonderful tonic and reconstructor. Ferrozone is a blood maker, a nerve strengthener, a heart and brain invigorator. It creates appetite, insures perfect digestion and undisturbed sleep, restores the vitality and strength lost by excessive living very quickly. Ferrozone will do you inestimable good; try it. Price 50c per box or six boxes for \$2.50, at druggists or Polson & Co., Kingston, Ont. Sold by W. H. Robson.

THE BAPTIST GARDEN PARTY.—The garden party at Blythe, advertised for Wednesday evening of last week, was postponed, on account of the weather, until Friday, which was as fine as could be desired. From some cause—possibly an account of the scarlet fever scare—the expected steamer with a crowd from Lindsay did not make its appearance; but there was so good an attendance from the Falls and the surrounding country that the sum of \$30 was cleared. Mr. Graham's beautiful grounds were brilliantly illuminated with Chinese lanterns, and there was an abundance of ice cream, cake, coffee etc.

The Cause of Dyspeptic Pains.

Improperly digested food usually forms gases that cause a painful distention of the stomach and pressure against the heart. This results in much pain and distress, but Nerviline will relieve the distention, dispel the gas, and cure the dyspeptic pains very quickly. Polson's Nerviline is really an excellent remedy for Dyspepsia, Indigestion, Cramps, Summer Complaint, and all Stomach and Bowel Troubles. No household is complete without Nerviline. Try a 25c. bottle. Sold by W. H. Robson.

CORRESPONDENCE.

To the Editor of the Fenelon Falls Gazette:

I have just had a talk over the telephone with Dr. McAlpine, M. H. O., Lindsay. He has reported to me that there are now (July 2nd) only eight cases quarantined, that they are all convalescent, but not yet safe to be at large, that four of the cases quarantined were cases where at first a physician was not called in attendance, that every possible precaution is being taken to prevent the spread of the disease, and that there has not been a case of diphtheria in Lindsay in three months. They—the people of Lindsay—have felt somewhat aggrieved that our Board of Health should have put out those notices. I give this to the public, as it is quite possible the reports are grossly exaggerated, and, if so, Lindsay papers and Lindsay people are to blame themselves for exciting the surrounding country.
