

The McArthur block was getting choked up with bits of wood and things, which were removed on Tuesday last by Mr. Peter Campo, who met with an accident, though not a serious one, while at the job. Two or three planks had been taken up from the sidewalk and a ladder let down; and as Mr. Campo was descending the ladder it suddenly twisted around, and one of the rungs struck him so violent a blow near the outside corner of his right eye that the flesh was cut through to the bone. He lost a good deal of blood and his head was set ringing; but he is pretty tough, and, after some strips of plaster had been stuck on to the wound, he went right on with his work as if nothing had happened.

FATTEN THE BABIES.—The annual fall show of the Fenelon Agricultural Society is to be held in the driving park about the middle of October, probably the 15th and 16th, and this year there is to be a new feature, as Mr. Gough, of Lindsay, has offered a prize of \$10. to be competed for by the babies owned by members of the society. In these contests the heaviest "kids," do not always win, but weight for age counts for a good deal, and, therefore, we advise every mother of a good-looking baby to fatten it up from now till the day of the show. The conditions of the contest will no doubt be set forth in the posters; all we know at present is that there is to be a baby show, that the mother of the winner will get ten dollars, and that we don't intend to be one of the judges.

Irritating Pimples and Disfiguring Blisters.

They place many young girls at a great disadvantage in life. The only cure is a blood purifier like Ferrozone. It cleanses the crimson flood of poisons and impurities, renews and strengthens it, and makes lots of red corpuscles that manifest their presence by a ruddy, healthy glow in the cheeks and lips. Ferrozone quickly masters all skin eruptions, builds up broken-down constitutions, and gives to weak, sickly women an abundance of spirits, vitality, energy and beauty. Try Ferrozone, it's all right. Price 50c. per box or 6 boxes for \$2.50, at druggists, or N. C. Polson & Co., Kingston, Ont. Sold by W. H. Robson.
