#### Fatal Railway Collision.

A little after midnight on Saturday a collision by which two men were killed and two engines and about fifteen box-cars were smashed to pieces, occurred on the G. T. R. about three miles west of Cambray, and soon after the news arrived at the Falls, on Sunday morning, several residents started for the scene of the accident, about 15 miles from here. The cause of the catastrophe was the breaking in two of a grain train on its way from Midland to Belleville, which was followed by another, both trains being what are called "double headers"—that is, drawn by two engines. The leading train was brought to a standstill and conductor Foley ran back to stop the one that was following. The three men on the first of the two engines that were drawing it jumped and saved their lives; but, owing to a dense fog, the engineer, James D. Swanton, and the fireman, William Falconer, on the second engine, did not see Foley's signal and were both killed. Falconer was got out soon after the arrival of an auxiliary train from Lindsay, but was fatally injured and lived only a few minutes. He was a young unmarried man from Belleville, where his relatives reside, and went all through the South African war without receiving so much as a scratch. Engineer Swanton, whose body was not found until 1 p. m. on Sunday, was a son of Mr. and Mrs. William Swanton of Fenelon, four miles from the Falls, and has several relatives in the village. He was about 32 years old and was married three years ago but there are no children. As his wife came from Peterborough, and intends to return there to live, his remains were buried in the Lakeside cemetery in that town. Mr. William Swanton, of the Falls, who went to Lindsay on Monday morning, says that he saw both the bodies and that he hopes he may never see such a sight again. His cousin's neck was broken and his legs were broken in six places, and his face had been fairly "cooked" until it bore no resemblance to a human countenance. Of course he was killed in an instant; but his companion, Falconer, must have suffered frightfully, for, though he was alive when taken from the ruins of the engine, and even stood up and spoke a few words, the fire had burned a great hole through which his intestines could be plainly seen.

#### Personals.

Mr. William Campbell left on Thursday for Montreal.  
Miss May Heard left on Monday to attend the Victoria Road fair.  
Miss Moran, of Belleville, is visiting Mrs. Garbutt at the Methodist Parsonage.  
Mr. George Regen, of Port Hope, is at the Falls visiting his nephew, Mr. John Quibell.  
Rev. Otto Klahn, of Desborough, Ont., has been at the Falls since Thursday of last week.  
Miss Eliza Welsh, of Rochester, N.Y., has been at the Falls, visiting her relatives, since Saturday.  
Mr. John Jordan, of Ops, has been visiting his brother, Mr. William Jordan, at the Falls since Saturday.  
Miss Vina Ellis was at Lindsay from Thursday of last week until Monday, visiting her friend, Miss Stoddard.  
Mr. George O'Leary, of Toronto, was on a visit to friends and relatives at the Falls from Monday until Wednesday.  
Mr. William Barclay left on Wednesday for Lindsay, having secured a position in one of the tonorial establishments in that town.  
Mr. and Mrs. Fred Metcalfe left on Monday to visit relatives in the township of Mariposa. Mr. Metcalfe returned on Wednesday.  
Mr. and Mrs. Alexander Morrison, Mr. Henry Graham Sr., Mr. Henry Graham Jr., Mr. John Austin, Miss Ella Austin and Miss Annie Graham, all of Kinmount, were at the Falls on Wednesday attending their relatives' wedding.  
Mr. and Mrs. F. F. Hawkins, of Cleveland, Ohio, left for home on Wednesday after a visit of about a fortnight to their nephew, Mr. Peter Deyman. Mr. Hawkins, who is on the staff of the Cleveland World, took with him several photographic views, and being deeply impressed by the Falls and its surroundings, as well as by the big fish captured in its immediate vicinity, will do his best to boom it at a summer resort.

#### Powles' Corner.

(Correspondence of the Gazette.)

A few weeks ago we mentioned that Mr. William Cooper had leased from Mr. H. W. Johnston the farm he had purchased from Mr. James Pollard. Mr. Cooper has given up the farm to Mr. Johnston and has purchased the Byers farm for the sum of \$3,000, and has already commenced ploughing.  
Mr. Edward Beacock has purchased a farm of 100 acres in the township of Ops for \$4,800. We learn that there are good buildings on the farm and that it is only four miles from Lindsay. Mr. B. will have one more crop to harvest here in Fenelon, and we hope that not only he, but all the readers of the Gazette, may have another good crop in 1903. While speaking about crops, we might say that Mr. Beacock seeded about 75 acres last spring, and it took 2 1/2 pounds of twine to tie 70 acres, the remaining five acres having to be drawn into the barn loose. This is supposed to be the heaviest crop that ever grew on the land since it was a forest. The entire crop of grain will total nearly 3,000 bushels.

Mr. Lewis Robe is giving up farming here, and intends to go to Manitoba next spring.  
The harvesting is all done here, and, as the threshing machines are very busy just now, it is remarkable how happy the farmers are feeling.  
Next year the school trustees only intend to have one teacher. They are going to exercise a little economy.  
Mr. Alex. McGee has had a man busy for some time making cement floors in his cattle stables.  
At present we do not know of one case of sickness in the whole section, and we hope that this state of affairs will continue.  
Mr. W. Childley, of Mariposa, has leased Mr. William Hamilton's farm for a term not exceeding 99 years. This will make two new-comers into this section next spring, and another one or two are expected. This world is not standing still.

**PALMISTRY.**—Mme. LaZulle, who professes to be able to tell you all sorts of things by examining the palms of your hands, will be here on Monday next and remain for a week. See advertisement in another column.

**Stops the Cough  
and Works Off the Cold.**  
Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, No Pay. Price 25c.

**THANKSGIVING DAY.**—Thursday, October 16th, has been fixed upon as Thanksgiving Day. It will be the second day of the agricultural show here; and, as it is hoped to expect that the stores will be closed, we suggest that the next day, Friday, be observed as a holiday, as scarcely anybody from the country will be in town on that day.

#### Ring in the Ears.

This is an unailing sign of Catarrh, and if not checked will ultimately result in deafness. The simplest remedy is Catarrh-ozone, which, if inhaled a few times daily, prevents the catarrhal condition from spreading. Catarrh-ozone quickly stops the ringing in the ears, head noises, gives permanent relief to catarrhal deafness. For Catarrh in any part of the system, Bronchitis, Asthma, Lung or Throat Troubles, Catarrh-ozone is a specific, and is guaranteed to permanently cure or your money back. Large size \$1; trial size 25c. Druggists or N. C. Polson & Co., Kingston, Ont. Sold by W. H. Robson.

**THE FALL SHOW.**—The Fenelon Agricultural Society's annual fall show is to be held in the driving park on Wednesday and Thursday, October 15th and 16th. Last year the printing in connection with it was done in Lindsay; this year it was all given to the Fenelon Falls Star, without the Gazette being allowed to tender for it. If this isn't unfair, we don't know what is.

**SCHOOL REPORT.**—Jr. 4th class, north ward; Spelling, value 100: N. Wilson 100, S. Ellis 100, V. Church 100, V. Sharpe 100, N. Robson 98, K. McDougall 96, G. Graham 94, T. Calder 94, W. Chambers 94, P. Nevison 92, M. Hill 92, G. Mark 84. Sr. 3rd class, north ward; Spelling, value 100: E. Pearce 100, S. Warren 100, B. Dundas 98, M. Marshall 98, W. Maybee 96, U. Shane 96, B. Mason 94, W. Church 94, K. Junkin 92, M. Austin 90, R. McGee 80, E. Clarke 76, M. Robson 74, F. Keast 70, W. Shane 70, R. Knox 54, L. McKendry 42, J. Hodgins 40, M. Smith 32.

#### Nervous and Sleepless.

There is just one cure, and that is plenty of food for the blood and nerves, which is best supplied in Ferrozene, than which no blood builder, nerve tonic or strength producer is better. Ferrozene promotes healthy digestion, which results in improved nutrition. The blood grows rich and red, furnishes stability to the entire system, and the store of nerve force and energy increases daily. A rebuilding of the constitution, new spirits, health and strength, all come from the use of Ferrozene. This marvellous renovator is sold by druggists for 50c a box, or six boxes for \$2.50. By mail from Polson & Co., Kingston, Ont. Sold by W. H. Robson.

**FATAL ACCIDENT AT LINDSAY.**—Mr. William Rogers, eldest son of Mr. John Rogers, of Lindsay, was instantly killed while working in the G. T. R. yards on Monday afternoon. The Post says: "Mr. Rogers, who was employed as a section man, was endeavoring to plug some leaks in a grain car that had been brought in from the wreck about fifteen minutes previously. In order to do this he had to go between two box-cars, which were minus their couplers. Rogers failed to observe the shunting engine, which came along and shoved the cars together, jamming the unfortunate fellow's head so badly that he died a few minutes later."

**RUPTURE SPECIALIST COMING.**—If you are suffering from hernia (rupture) or varicocele (false rupture), in deciding when and where to take treatment do not forget that the records of J. Y. Egan, specialist, of Toronto, show that sooner or later nine-tenths of all cases must come to him for a cure. This noted specialist will again visit Fenelon Falls, Mansion House, Monday afternoon and evening and Tuesday all day until 2 p. m., 1 1/2 days only, September 29th and 30th. Do not neglect yourself this time, or regret may follow. Remember, you will never be in a better condition to be cured than now. Why not act at once? Consultation free. See advertisement in this issue.

#### Toothache Cured in One Minute.

Saturate some batting with Polson's Nerviline and place it in the cavity of the tooth. Rub the painful part of the face with Nerviline, bind in a hot flannel, and the toothache will disappear immediately. Nerviline is a splendid household remedy for Cramps, Indigestion, Summer Complaint, Rheumatism, Neuralgia and Toothache. Powerful, penetrating, safe and pleasant for internal and external use. Price 25. Try Nerviline. Sold by W. H. Robson.

**SHOP LIFTING.**—Before Col. Deacon and a bench of magistrates, in Twomey's hall, on Saturday last, Mrs. Ellen Forster, of Cobocook, pleaded guilty to the charge of having stolen, on Monday, the 14th inst., a dress length worth \$6 in Mr. William Campbell's store. As Mr. John McSweyn made a strong appeal on behalf of the accused, reading a certificate of previous good character signed by numerous residents of Cobocook, and as Mr. Devlin, the Crown Attorney, did not make any objection to leniency, Mrs. Forster was allowed to go on "suspended sentence," a condition of which was that she paid the costs, amounting to about \$20. The stolen property, which was in Constable Brook's possession, was returned to Mr. Campbell.
