

again they found he had made such havoc with the window curtains and various articles of furniture that Mr. McCall, naturally angry, sentenced him to death. Next morning Mr. James Lynch—who either voluntarily or by request undertook the office of executioner—pocketed a revolver and went to Mr. McCall's to give the animal his quietus, which he succeeded in doing, but not until the dog—which probably objected to being lynched without a fair trial—had bitten him on the calf of one of his legs. There was a report that the victim was mad, which is not unlikely, for it's enough to make any dog "mad" to be peppered with a revolver; and probably Mr. Lynch got mad, too, when he felt the bite.

The world is full of sickly, despondent, tired, enervated people, all hoping to be well some day. The surest road to health is along the way of taking Ferrozone after meals. Ferrozone is a great appetizer and enables one to eat plenty of wholesome food without fear of indigestion or dyspepsia. This results in the rapid formation of an abundance of red, vitalizing blood, which will restore the nerves, increase flesh and vigor, and nourish and feed every organ of the body. Ferrozone is an ideal restorative and invigorant. It is a tonic of unequalled merit that anyone can use with benefit. Price 50c. per box or six boxes for \$2.50, at druggists or N. C. Polson & Co., Kingston, Ont. Sold by W. H. Robson.
