

In 32 months the Boers and their climate slew 21,942 British people.  
Every 32 months strong drink slays 320,000 British people.

WHAT ARE YOU GOING TO DO ABOUT IT?

Fawkesian anniversary; but it is his duty to enforce the laws of the municipality, and if he had not done so he would certainly have been blamed by others. His position is by no means an enviable one, and, whatever he does or does not do, he is almost sure to have somebody "down upon" him.

**The Cause of Dyspeptic Pains.**  
Improperly digested food usually forms gases that cause a painful distention of the stomach and pressure against the heart. This results in much pain and distress, but Nerviline will relieve the distention, dispel the gas, and cure the dyspeptic pains very quickly. Polson's Nerviline is really an excellent remedy for Dyspepsia, Indigestion, Cramps, Summer Complaint, and all Stomach and Bowel Troubles. No household is complete without Nerviline. Try a 25c bottle. Sold by W. H. Robson.

**REFERENDUM MEETING.**—A referendum campaign meeting was held in the basement of the Methodist church on Tuesday afternoon. Arrangements were completed for the distribution of temperance literature, workers were appointed to assist in getting out the vote in the village and also in the adjoining portions of Fenelon and Verulam townships. Several public meetings will be held next week, but the dates are not yet decided. We are glad to find from campaign notes that the prospects are encouraging throughout the Province.

**GOOD SPORT.**—Messrs. Wilfred Jewell and Bidwell Burgess got up early last Saturday morning and went to Goose lake, off Burnt River, with their guns. In less than three hours they were home again, accompanied by nine fine fat ducks, five of which were shot by "Wilf" and the other four by "Bid." They are going again before long; and one of the "firm" has promised us that, if they have good luck, we shall have an opportunity of testing the flavor of Goose lake ducks. There must be plenty of ducks this season, as Mr. David Merriam and his brother shot forty of them in Balsam Lake one day last week.

**Uncle Tom's Cabin.**

Appropos of the coming of Davis' Uncle Tom's Cabin Company, Mrs. Stowe's greatest work, a short history of the original cabin may be of interest. The people about Natchitoches, La., have long insisted that Robert McAlpin was the original Simon Legree. His house and plantation were the only ones fitting the description in the book, on or near the Red river, and he the only man in the state who "filled the bill." He was intemperate and merciless, and died before the war, leaving a memory for brutality that is even now mentioned with horror. On his place lived a faithful old negro, sold from Kentucky, who suffered everything but actual torture to death, and Mr. S. Chopin, the present wealthy owner of the estate, has preserved the cabin with great care, in the confident belief that in time it would become an object of natural curiosity. The cabin is of cypress logs covered with cypress boards, and sound as when built, some forty years ago. It is presumed that Mrs. Stowe used the novelist's privilege of combining the experience of several negroes in one, but, simply as a relic of the old slave times, the cabin will present great interest at Twomey's hall on Tuesday evening, Nov. 25th. Admission 25 and 35c.

Why do I wear "C. R. Co." rubbers? Because they fit properly and wear better than any other rubber shoe in the market. you cannot afford to be without a pair if you value your health.

**THE SLATER**  
Goodyear Welted Slater Shoe

**Are You an Expert?**  
Even an expert may be deceived by an imitation Goodyear Welt.

Many shoes sold as Goodyear Welts have all the lumps, threads, tacks and discomfort of imitation welts, which they are.

Even the dealer who sells them to you likely as not bought them for real welts—even he cannot always tell by appearances.

Wear "Slater Shoes" and you will get nothing else but Goodyear Welt shoes, because no other kinds of shoes but Goodyear Welts are made in the "Slater" factory.

Be careful that you get a real "Slater Shoe" with the slate frame on the sole or the lining—the words "The Slater Shoe" and the price—nothing more. Sold only by "Slater Shoe" agents—\$3.50, \$5.00. "The Slater Shoe."

J. L. ARNOLD, Sole Local Agent.
