

One Common Cause of Headache.

Perhaps the most general cause of headache and pain across the eyes is nasal catarrh. The simplest cure is to inhale the medicated vapor of Catarrhzone, which traverses every air cell and air passage of the throat, lungs and nose. It kills myriads of germs at every breath, clears away mucous discharges, preserves and heals the membrane. Catarrhzone is just a splendid remedy for headache, and its action is certain and unfailing in diseases of the throat and lungs, Deafness, Bronchitis, Asthma and Catarrh. A trial will convince the most skeptical that Catarrhzone is all right. Large size \$1; trial size 25c. Druggists, or Polson & Co., Kingston, Ont. Sold by W. H. Robson.

ACCIDENT—On Sunday forenoon Mrs. John Alexander slipped and fell while on her way to or from the woodshed and broke one of the bones of her left arm close to the wrist. Dr. Wilson went over and set it, assisted by his son Archie, and the patient is doing well.

BUSINESS EDUCATION.—Free Fares.

A business education in these days of commercial activity is one of the necessities of the young people of our country. Many up-to-date institutions now supply this need, and as an evidence of the success of students, the Federal Business Colleges point to the fact that ninety-nine per cent. of their advanced graduates for the year now closing have been appointed to good positions. Mr. Houston informs us that he will allow railway fares to all students registering for a full course before January 2nd, distance not to exceed one hundred miles. For further particulars write Federal College, Lindsay or Ottawa, Ont.

A GOOD STORY.—The illustrated story entitled "Home, Sweet Home, or Christie's Old Organ," given by Rev. H. C. Dixon, of Toronto, in St. James' church on Monday evening was exceedingly well told and the limelight pictures were first class. The attendance was very good, considering the almost impassable condition of the sidewalks.

Do You Belch Gas?
If you have uneasy sensations in the stomach, a bad taste in the mouth, headache—remember that ten drops of Polson's Nerviline in sweetened water is a quick and certain cure. Nerviline is just splendid for Cramps, Colic, Dysentery, Stomach and Bowel Troubles, and costs only 25 cents. Better try it. Sold by W. H. Robson.

A COMING WEDDING.—The following announcement, which confirms a rumor current in the village for some time past, appeared in the Toronto papers of Monday last: "The marriage of Miss Violet M. Wilson, of Fenelon Falls, and Mr. F. C. Hare, of the Department of Agriculture Ottawa is announced for 1 o'clock on Thursday afternoon, January 8th, at the home of Dr. Wilson, Fenelon Falls."

The Savings Bank of Health
Is lots of red and vitalizing blood to nourish and invigorate the body. If your blood is thin and watery use "Ferrozone." It supplies the necessary elements, such as phosphorus and iron, and quickly restores lost strength and spirits. Ferrozone is an unequalled restorative for the tired, the sick and the run down; it stimulates appetite, aids digestion, soothes the nerves, and makes the system too healthy for disease to exist. No tonic does so much good in a short time as Ferrozone. Get it to-day from any druggist at 50 cents per box, or six boxes for \$2.50. By mail from N. G. Polson & Co., Kingston, Ont. Sold by W. H. Robson.

CORRESPONDENCE.

To the Editor of the Fenelon Falls Gazette:
SIR,
As the municipal nominations are to be held on Monday next, a few questions touching school matters suggest themselves, which it might not be out of place to ask the chairman of the Board to answer: (1) Why is it that the auditors' report for 1901 is dated August 2nd, 1902, and only distributed a few days ago, and when the year 1902 is drawing near a close? (2) What new method of book-keeping is this that the entries on the Cr. side are in the following order: April, June, Oct., Dec., Jan., March, April, May, June, Sept., Aug., Sept., Dec? Does it not appear as if things were a little mixed? (3) Why is there no auditors' certificate that they have examined the treasurer's books, compared them with the vouchers, etc?
Yours,
RATEPAYER.
Fenelon Falls, Dec. 23rd, 1902.

XMAS PERFUMES.

Perfumes are made direct from the flower or from volatile oils distilled from flowers.
These have certain antiseptic and disinfectant properties which make perfumes a necessity not only from an esthetic standpoint, but as a preventative from disease and contagion.
Their use as such is becoming more and more recognized by authorities who say they should be used by everybody—not in sickening quantities or rank odors, but only enough for a mere suggestion.
Our perfumes are carefully selected—the best odors of the best makers.
