LITTLE AND OFTEN FILLS THE PURSE.
Do you want to buy a home with the money you now pay for rent? So long as the masses of the people do not save anything out of their earnings, just so long will their spendings go into the hands of those who do save, and they are the capitalists. This is why the few own the houses and the many pay the rent.

A Great Family Newspaper.

No family is so poor that it need go without a weekly paper. No family is so rich that it can afford to do without one. No family, rich or poor, can afford to forget that the best paper is the cheapest and the one that brings big returns on the investments. The ideal family newspaper makes itself indispensable to every member of the household. It interests, helps, amuses and instructs, makes itself invaluable, and once taken is never abandoned. There is one such paper in Canada—the **FAMILY HERALD AND WEEKLY STAR**, of Montreal, which circulates in every known part of the Dominion, and is everywhere acclaimed as the greatest weekly published.

Every subscriber to the **FAMILY HERALD** is insured for five hundred dollars against railway accidents free of cost.

Splendid as were its qualities as a family journal before, it has recently been enlarged from twelve to sixteen pages, and interesting new features and departments have been added. Each issue is a wonder, and is received by the reader with amazement that so great a paper can be published for the price. If you don't know the **FAMILY HERALD** you should send at once for a sample copy.

The **FAMILY HERALD AND WEEKLY STAR** is only a dollar a year. We hear from those who have seen it that the **FAMILY HERALD** has a premium picture, entitled "Little Queenie," this year for yearly subscribers, worth five times the whole subscription. This is verily an age of wonders.
