

**DOING WELL.**—The branch recently established in Fenelon Falls by the Toronto Financial Corporation completed its first month's business on Saturday, and we are pleased to learn that the most sanguine expectations of Mr. Lytle, the manager, and Mr. Dartnell, the teller, have been more than realized; and, as the number of customers steadily increases, there is more than a probability that the village "bank" will be a prosperous and permanent institution.

**INTERESTING** to the ladies. Call and examine my choice stock of the best made and best fitting Corsets. Mrs. R. McDougall.

**THE TELEPHONE.**—During the past few days telephones have been put into the Toronto Financial Corporation's office, the residences of Dr. Wilson and Rev. Father Nolan, Mr. John A. Ellis's mill and the Fenelon Falls hospital. This brings the number of village subscribers up to 18—the largest number of any village of its size in the Province of Ontario. In neither Bobcaygeon nor Omamee is there a single telephone except the one at the central office.

**CLEARING SALE** of Dress Goods at Mrs. Hamilton's.

**ACCIDENTS.**—Last Friday morning Mr. Alex. Smith had the third finger of his right hand badly mangled by the "jointer" at which he was working in Howry's mill; and on Saturday a young man named Harris, another employee of the firm, had the tip of one of the fingers of his left hand taken off by a rip saw in the factory. A terrible number of accidents of a similar nature have happened during the present season. Is there no way of rendering the saws less dangerous to the men who have to work at them?

NOW is the time to get a dress cheap at Mrs. Hamilton's.—40.4.

**THE RINK.**—The managers of the Fenelon Falls Curling and Skating Rink have decided to rent it this season, instead of running it themselves, and tenders will be received up to noon of Monday next by Mr. W. S. Scott, the secretary. Hitherto Mr. Edward Chambers has had charge of the rink at a fixed salary, the association paying all expenses and keeping track of receipts and expenditures; but it will be simpler, and probably more satisfactory to all concerned, to turn it over to a lessee, to whose interest it will be to do everything in his power to deserve the patronage of the skating, sliding and masquerading public.

You can save money by calling on McCallum for your Fall Suits.

**DROWNED AT BOBCAYGEON.**—About 8 o'clock p. m. last Sunday Mrs. James Allen left the house of a married daughter in Bobcaygeon to go to her own home on the Rokeby side of the water, and next morning the lock-master found her body in the canal, a short distance below the swing bridge. There is no doubt that her death was accidental, and that, the night being dark, she missed her way and walked over the bank of the canal. Her husband died about six years ago, and she was 64 years of age. One of her daughters is the wife of Mr. Edward Wilkinson of this village.

**THIRTY DAYS' cash sale** at Mrs. R. McDougall's, commencing Saturday, Nov. 23rd.

**CHURCH MEETING.**—The Presbyterian congregation met on the evening of Tuesday of this week to allocate the pews and to hear the reports of the various committees in connection with the new building. The building committee were authorized to give Mr. McLeod, the contractor, a testimonial of the highest character, for the very satisfactory work he has done. The Ladies' Auxiliary have \$53 to the good after paying for all the furnishings, which amounted to about \$420. The pews were eagerly sought for, and a successful effort was made to please everybody.

**DON'T FAIL** to call and secure bargains in Millinery, while the cash sale is in progress at Mrs. R. McDougall's.

**OPTICAL.**—Mr. I. Whitesmith, of Manilla, will be at the McArthur House, Fenelon Falls, on Saturday and Monday, November 23rd and 25th, from 2 until 4 p. m. He is making a specialty of fitting glasses, resulting frequently in greatly restoring sight strained by improperly fitted lenses, and gives particular care to children's sight. He has as references Hon. John Dryden, M. P. P.; Dr. McKay, M. P. P., Woodville; Jas. McBrien, L. P. S. Co. Ontario; Dr. Wilson, Fenelon Falls; Dr. Thompson, Omamee; John Wallace, Cobocok; Geo. Rumney, Sr., Laxton; John Dix, Little Britain; J. Cundal, teacher, Cameron; and others. Mr. Whitesmith will have with him a fine line of watches, jewelry, etc.—39 2
