

COMMENT NOTES.

There is one contingency in the eastern crisis which may well fill the civilized world with dread. The Turkish Empire rests upon a religious, not on an ethical or political foundation.

Abdul Hamid would have sought peace long since in attempting to fulfill his promises to the powers if he were not perfectly aware that the first step of a practical nature to place the Christian on a par socially or civilly with the Mohammedan would be looked upon as both treason and sacrilege by his people.

Within the Turkish dominions in Europe and Asia 16,000,000 of Mohammedans, well armed, courageous and desperate, precipitated against 5,000,000 of Christians, for the most part without arms and rendered incoherent by racial animosities, sectarian ambitions and foreign intrigue.

TOO WEAK TO WALK.

Friends Had Given up Hope of Recovery.

The Trouble Began With a Cough Which Settled on the Lungs—Subject to Fainting Spells, and at Last Forced to Take to Bed—Restored by Dr. Williams' Pink Pills When All Other Medicines Had Failed.

From L'Impartial, Tignish, P. E. I. Mr. Dominick P. Chiasson, who lives on the Harper Road, about two miles from the town of Tignish, P. E. I., personally took the trouble to bring before the notice of the editor of L'Impartial, the particulars of the cure of his daughter-in-law, Mrs. A. D. Chiasson, through the use of Dr. Williams' Pink Pills.

did not obtain more than a few hours sleep. About the end of 1894 we had given up all hope of her recovery, and the neighbors were of the same opinion.

The experience of years has proved that a vitiated condition of the blood or shattered nerves, that Dr. Williams' Pink Pills will not promptly cure, and those who are suffering from such troubles would avoid much misery and save money by promptly resorting to this treatment.

WATER SNAKE FIGHTS EEL.

Terrific Combat Which Finally Ended in the Eel's Escape.

"Did you ever know that there is a deadly antipathy between a common water snake and an eel?" asks a fisherman. "Well, I never knew it until an experience that I had in witnessing a fight between the two. Personally I have the greatest dread of eels. I'm more afraid of them than I am of a snake, and you can imagine my chagrin when I happened to hook one on one of my fishing expeditions.

Amused the Pope.

The London Morning Post tells a pleasant story illustrative of Pope Leo's kindness. It seems that not long ago an English lady, a Protestant, with her little son, 11 years old, and her daughter, obtained an audience of the Pope, through the good offices of Cardinal Rampolla, the Papal Secretary of State.

Cured by a Fall.

Miss Bessie Smith, a sixteen-year-old girl, of Aurora, Ill., fell on a slippery sidewalk the other night and was rendered unconscious. When consciousness returned it was found that she had recovered her reason, which left her after sustaining a serious injury to the brain by a bicycle fall last July.

A POSSIBLE CABINET MINISTER.

Hon. David Mills, M. P., Joins Other Leading Members of the Dominion Parliament in the Strong Endorsement of Dr. Agnew's Catarrhal Powder.

The Sage of Bothwell, as his familiar friends sometimes speak of him, the Hon. David Mills, who is almost certain to again become a Cabinet Minister, should a change of Government take place, was a sufferer from catarrh, and to a public man it proved most annoying. He freely tells, however, the very quick relief he secured when he commenced to use Dr. Agnew's Catarrhal Powder.

A Beulah Land in Contrast With This Age of Fret and Fume.

Where this Beulah Land? Thousands will enquire, for Heart Disease is striking down its victims in every corner of the land, and its terrors grow apace. Cold in the head—Nasal Balm gives instant relief, speedily cures. Never fails.

There would not be any absolute necessity for reserve if the world were honest; yet even then it would prove expedient.—Shenstone.

Consumption can be cured by the use of Shiloh's Cure. This great Cough Cure is the only known remedy for that terrible disease.
