OPTICAL.—Mr. J. Britton, optician, of Britton Brothers, Lindsay, will be at the McArthur House, Fenelon Falls, on Monday, July 5th, for free consultation.

JUST A HINT about Millinery. We are very busy on orders now, our milliners having to work over hours. Numbers of ladies from the country usually come on Saturday, expecting to get their hats and bonnets home with them. We ask as a special favor, if at all convenient, that ladies in the village will leave their orders as early in the week as possible. You will consult your own best interests and comfort, besides conferring a great favor upon us, by so doing. Mrs. R. McDougall.

S. A. EXCURSION.—An excursion under the auspices of the Salvation Army will be run from Fenelon Falls to Sturgeon Point on Thursday, July 1st. The steamer *Greyhound* will leave the lock wharf at 7.15 a. m. Return fare, 25 cents; refreshments extra.

TALK IS CHEAP, but our goods are cheaper, and there are six bargain days every week at Mrs. R. McDougall's.

GOT A DUCKING.—On Wednesday morning Walter Corbett, about 12 years old, son of Mr. Samuel Corbett of this village, fell into the canal, along the brink of which he was walking with a boy's customary carelessness. Being a good swimmer, a few strokes took him to the gates of the upper lock, from the top of which Mr. Thos. Caesar leaned down and hauled him out of the water.

A Sunderland lady writes Dr. Neelands that he had made her a successful fit after having eight sets of teeth made in Toronto and elsewhere.—431f

SOLD HERE.—In last week's Gazette we stated that Messrs. Brandon & Austin intended to leave on Saturday morning with 160 head of cattle for the Buffalo market; but before that time arrived they sold them all to the buyer who was here from Omaha. Mr. Brandon, however, having prepared for a trip to Buffalo, determined to go, as he has friends and relatives in that city whom he wished to visit.

MILL ACCIDENT.—On Monday last Mr. William Sewell, who is employed in the sawmill at present run by Burgoyne & Co., by some means had his left hand brought into contact with the drag saw, which cut entirely through what is called the "ring finger" between the first and second joints, and lacerated all the other fingers and the thumb in a terrible manner. Dr. Graham, to whom he went immediately after the accident, stitched up and dressed the wounds, and tells us that his patient is doing as well as can be expected.

Got your midsummer hat yet? Many orders now in, but just room enough for yours at Mrs. R. McDougall's.

A GREAT CURIOSITY.—On Saturday last a member of Mr. Robert Kutherford's family noticed what appeared to be a genuine rose, of good size and pure white, growing from the end of a twig on a "Tolman sweet" apple tree in the corner of their garden. How long it had been there before it was discovered is not known, but it was in full bloom until Tuesday, when it fell to pieces. It was shown to several persons, who were at first disposed to think that it had been stuck to the end of the twig for a joke; but a close examination convinced them that it had actually grown there.

Butter and eggs taken in exchange at Mrs. R. McDougall's.

I. O. F.—In the name of liberty, benevolence and concord the members of Court Phoenix No. 182 attended the 23rd anniversary services of the Order in St. Andrew's church on Sunday evening last, the brethren of the I. O. O. F. lodge participating with the Foresters, marching to church in a body. On returning to the court room it was unanimously resolved that the thanks of Court Phoenix be extended to Rev. Bro. McKinnon, court chaplain, for his excellent and appropriate discourse, and also to the managers for their courtesy and the use of their church for the occasion.

DROWNED AT BOBCAYGEON.—We are very sorry to hear that Joseph Read, about 16 years of age, the youngest son of Mr. John L. Read of Bobcaygeon, was seized with cramps and drowned while bathing near Petrie's mill last Tuesday forenoon. A companion named Daniel Cain, about the same age, says that the drowning lad caught him by the leg two or three times, but, thinking it was done out of mischief, he kicked himself free and had no idea, until too late, that there was anything wrong with young Read. An old man named Robert Hayes tried to reach the unfortunate boy with a pole, but failed to do so. The body was not got out of the water until about half an hour after the accident.

**Optical Information.**

Relieve your eyes in every possible way. Use glasses as soon as any benefit may be derived from them.

The most valuable methods and instruments of the present day for the examination of the eyes have been given us within a short period. We have the best of those instruments and are familiar with those methods. Our optical department is kept right up to date.

Accuracy in fitting glasses requires skill and experience. We have both. But we take no chances. If your particular case needs the attention of an oculist, we will tell you so. Safe honest advice is yours in any event.

Come to us as soon as you notice any eye defect. It may save you a lot of trouble and it will cost you nothing to know what is best to do.

Examination and advice is FREE. Our Mr. J. Britton will be at the McArthur House, Fenelon Falls, on Monday, July 5th, where he may be consulted. Eyes examined free of charge.
