

UNE OF THE MOST PAINFUL OF MALADIES.

Mr. Peter Millar Suffered for Years, and Experimented With Many Medicines Before Finding a Cure.

from the Brockville Recorder.

Perhaps no prettier place is to be men in Ontario than that at Newman's apper lock on the Rideau Canal. At this station for a quarter of a century resided Mr. Peter Millar, who during that period acted in the capacity of lockman, and was perhaps the best known man on the canal. Mr. Millar is now a resident of Merrickville, having retired from active life. To a correspondent of the Recorder he related the following experience: "For many years I was troubled with a lame back, which gave me great pain at times, and caused me much loss of sleep. I tried different kinds of medicine but found little or no relief. The apring of 1895 I was assisting at getting out ice one day when' I felt something snap or give way in my back, and it was some time before I could straighten myself up. I now became so bad that when I laid down I was unable to rise without assistance, and I fully made up my mind that I had become a chronic invalid, and never Sugar expected to see a well day again, A Cream of Tartar . couple of weeks after my back had al- Lukewarm Water most entirely given out, I saw by an article in a paper that Dr. Williams' Pink Pills had cured a person troubled similarly, and I immediately sent and sparkling, cool and delicious.
