Did It Ever Occur To You

that a watch that does NOT run is better than a poor watch that DOES run?

A watch that does not run is right twice a day, while a cheap watch that runs is never right. If you want a watch that is always right buy from

Geo. W. Beall,

the old-established watchmaker, of Lindsay, who will be pleased to advise you and give you the benefit of his experience if you ask it.

HARNESS

If you want first-class single or double light or heavy Harness or anything in that line call at

NEVISON'S

new harness shop, between J. McFarland's grocery and Wm. Campbell's dry goods store.

TRUNKS AND VALISES

kept in stock as usual, and also a good assortment of fly nets and buggy dusters at low prices. Try a bottle of Harris's celebrated harness polish. It is a new thing and you will be sure to like it.

It has recently been ascertained that the body of Martin Luther, contrary to general belief, was never removed from the palace church at Wittenberg, where it lies seven or eight feet below the floor of the nave, in a coffin of wood lined with tin. Close by is the coffin of Luther's friend and associate, Melancthon.
