**Personals.**

Miss Sophie Wilson of Buffalo, N. Y., is visiting her relatives at the Falls.

Miss Robson returned last Thursday from a six weeks' visit to friends at Parry Sound.

Mr. Henry Graham, Jr., of Kinmount, was at the Falls from Sunday last until Thursday afternoon.

Mr. Henry Reazin, School Inspector for West Victoria, was at the Falls from Monday last until Wednesday inspecting the public schools.

Mr. Joshua Oldham, saw manufacturer, of New York city, who supplied nearly all the saws in the new mill, was at the Falls this week.

Mr. James Stevens returned home last Friday from Clan William, a few miles from Minnedosa. He had been from home about seven weeks.

Mr. Harry Robson, who left for Victoria, B. C., in May last, returned home on Thursday of last week. He greatly prefers Ontario as a place of residence.

Mr. and Mrs. Lloyd Ellison of Middletown, N. Y., were at the Falls from Tuesday until Thursday. Mr. Ellison was formerly a resident of this village, and left here with his parents about sixteen years ago.

Mr. and Mrs. Lewis Manning returned a few days ago from Plantagenet, near Montreal, where they spent two months. Mr. Manning brought home with him some of the celebrated Plantagenet mineral water, which is nasty, but not cheap, as it is retailed at five cents per glass.

(Correspondence of the Gazette.)

Two of the babies that competed for the prize in Lindsay were from this locality, and one of them should have had the prize and the other recommended. This section is always ready to turn out something good, no matter what kind of material is wanted.

Mr. Thomas Gillis is spending this week back at Minden with his son, Mr. F. C. Gillis, who is teaching the Minden school.

Mr. and Mrs. E. Worsley spent a few days this week visiting relatives in and around Okwood.

The rain last Monday night was welcomed by those who are trying to plow.

Jack Frost has been through here dying the trees a beautiful color, and has given each kind of tree a different hue.

A good many from around here were down to Fenelon Falls to hear the Provincial Opposition leader, Mr. Whitney. We cannot tell whether any were converted or not. For our own part we cannot support Mr. Carnegie because he is a nice man, as it is to his own interest to be courteous and nice. What East Victoria wants is a man who can do something for them. Whitney has not got the bone yet.

TEA.—The ladies of St. James's Church request us to announce that they will give a tea on the evening of November 5th. Full particulars later on.

SERMONS.—Rev. S. McCauley, of Oakwood, will preach anniversary sermons in the Methodist church, Fenelon Falls, next Sunday morning and evening. Services commence at 10.30 a. m. and 7 p. m.

RAIN.—There was a heavy shower of rain during last Monday night, and, though not as much as was needed, it did a lot of good, as the soil on many farms was baked so hard that ploughing was almost impossible.

DENTAL.—Dr. Neelands, dentist, of Lindsay, will be at the McArthur House, Fenelon Falls, on Tuesday, Oct. 19th. He will have gas and best local pain obtundors for extracting teeth. Call in forenoon if possible and secure an appointment.

A BAD CUT.—One day last week Mr. Paul Oullette, while working in his slaughter-house, inflicted so bad a gash in the back of his left hand with a butcher knife that Dr. Wilson had to put in no fewer than five stitches. The hand has been taken out of bandages, and the wound is healing rapidly.

PETTY THEFT.—A few days ago a window in Mr. George Martin's shop front was broken and temporarily patched up; and last Tuesday evening, while the political meeting was in progress, some boys removed a piece of the glass and stole a quantity of fruit. It is to be hoped that they ate enough of it to give them a severe stomach ache.

FOWL SUPPER.—Don't forget that there will be a fowl supper in the Methodist church next Tuesday evening from 5 to 8 o'clock. Rev. E. Roberts, ex-President of the Bay of Quinte conference, will deliver one of his thrilling, amusing and instructive addresses, and there will be a grand vocal and instrumental musical treat. All are invited. Admission only 25c.

RESIGNED.—Mr. Thomas Archer has resigned his position on the Rosedale works, and will go to Dorset as foreman for the Longford Lumbering Co., in whose employ he formerly spent about fifteen years. Mr. Peter Grant of Bobcaygeon will succeed Mr. Archer at Rosedale, but the season's work there will be finished in about a month.

AN OMISSION.—In our issue of the 1st inst. there was a notice of the new buildings going up in the village, from which we unintentionally omitted the addition, 24 x 36 feet and two stories high, that Mr. Sandford has built at the end of the block owned by himself and Mr. W. H. Walsh. It is a substantial frame structure on a good stone foundation, and is well lighted and painted to match the rest of the block. The first floor is a show-room for carriages in summer and sleighs in winter, and the upper story is to be used as a paint room. Mr. Sandford is spending a lot of money this year on improvements which will greatly facilitate his various businesses.

**DIED.**

WATSON.—At Kaukauna, Wisconsin, U. S., on Wednesday, Oct. 6th, 1897, of heart failure, Martin Watson, aged 83 years and 7 months.

**CORRESPONDENCE.**

To the Editor of the Fenelon Falls Gazette.

SIR,—Having heard several false reports concerning the treatment I have received during my recent illness, I desire a small space in your paper that I may place the facts before the public as they really are.

Several parties were attaching a great deal of blame to Mr. W. A. Gillis because, as they said, he would not allow me to enter his house while affected with diphtheria, but kept me in a tent outside. Others even ventured to say that he kept me outside without even the protection of a tent. The absurdity of the latter statement is so apparent that it is needless to refer to it again. I am sure that all who are intimately acquainted with Mr. Gillis will have a better opinion of him with respect to his hospitality than to suppose that he would refuse admittance to one who, for the time being at least, had made that his home. Mr. Gillis was not at all responsible for my staying in a tent. He was with me the day I went to Fenelon Falls, and was informed that I was suffering from an attack of diphtheria. He intended taking me back into his house, but, knowing the danger in which it would place his children, I determined that I would not re-enter his house. Not knowing what to do, I asked advice of Dr. Wilson. He advised me to get a tent, so, following his advice, I procured one. If the originators of these reports will study up the facts, they will perceive their error; and I am sure that Mr. Gillis will be ready at any time to accept their apologies for having circulated reports without foundation. I hope that these facts will place Mr. Gillis in his true position, and I may state before closing, that he treated me with the utmost kindness, and did everything in his power to make me as comfortable as possible under the circumstances.

OLIVER BOWLES.
